**Important Update: Our calendar was based on the Giddings ISD one. We were informed last week that the calendar was changed since our calendar was published. The school board voted to not have school on October 14th to correspond to the GISD calendar.**

Interest in robotics continues to grow. Here the students and volunteer parents start to build the new robots while the older students continue to program the more challenging one. The excitement level is unmatched.

### Help Needed

The kindergarten has been travelling around the world through the alphabet. We have been to Australia, Brazil, Canada, and Denmark. We have seen the beauty of the country, tasted the foods, listened and danced to the music. If you have anything to share or would like to participate in some way, please contact Mr. Wolfgram. We will be going to Egypt, France, and Germany over the next three weeks.

Midterm eligibility will be determined after tomorrow. Remember this affects the next three weeks of eligibility. Encourage good stewardship of academics.
