We Are Back!

It was so encouraging to see so many smiling faces as we started up the school year this week. I heard from many of you how happy you were that school was starting face-to-face. The procedures we developed seem to be working well. It has been rewarding to see our remote learners logging in for classes on time and participating. We are so pleased to be able to serve the needs of so many different families.

As I said in orientation, we are at the beginning of an exciting story. Much has changed but the abiding love of God never changes.

The 5th grade is doing assessment testing.

Important Reminder: Please set up your payment plan so as not to get behind in your tuition. Applications for free and reduced lunch must be completed each year.
