Immanuel Lutheran School, Giddings *Inspire, Learn, Care, Serve*

K.I.D.S. Savings Plan

Personal Savings account that helps build churches and schools.

Starting this week:

Wednesdays: 7:20-7:50

Stamps: \$0.25 & \$1.00

Texas District Lutheran Church Extension Fund

Student Testing

This week students in grades 3-8 started assessment testing to give us a benchmark for curriculum adjustments we might want to make after the remote learning of last year. The upper grades will finish early next week and results should be ready shortly. One of our graduation goals is that all students will be at or above grade level. Tests like this one from scholastic help us measure our progress.

Kindergarten smiling faces as they laugh and learn together.

8th Grade Parents

Watch for information about the Capstone Project your student will create this year. Information went home from Mr. Menke.

Important Reminder: Please set up your payment plan so as not to get behind in your tuition. Applications for free and reduced lunch must be completed each year.

Experiential learning enables students to participate in hands on activities which fosters deeper learning. Our teachers are finding creative ways to utilize the need for activity based learning for students. Here the second grade practices social distancing while learning about number lines.

PTL Fund-raiser

The PTL has traditionally sold items such as candy or magazines to fund school improvements and to tithe to our community. They have changed that process to simply ask for donations because all of the money comes to the school instead of a corporation. This year we have a wonderful opportunity to support a school family who has experienced an unexpected health issue. They have also designated money for the safety and remote learning items needed because of COVID. Please watch for and be generous when asked for a donation.

Upcoming Events:
