Sports News

Athletes were excited to return to competition this week after the long absence. All of the teams were extremely successful. The volleyball teams downed both St. Paul Serbin and St. Paul Thorndale. The varsity football team defeated Thorndale in double overtime and went on to defeat Serbin. The JV team lost a very close game to Thorndale, falling just short of the winning goal as time expired. They came back and defeated Serbin. Great job Knights!

Mrs. Schimank practices good safety procedures with her mask. At the same time, you can see the remote student participating just as if she were in the classroom, though only the teacher is visible to the remote student.

Important Reminder: Please set up your payment plan so as not to get behind in your tuition. Applications for free and reduced lunch must be completed each year.

Art class brings out the creativity in students. Here Mrs. Nietubicz teaches the third grade how to draw faces. The students are actively engaged and take pride in what they are able to accomplish.

PTL Fund-raiser

The PTL fund-raiser is in full swing. The PTL has traditionally sold items such as candy or magazines to fund school improvements and to tithe to our community. They have changed that process to simply ask for donations because all of the money comes to the school instead of a corporation. This year we have a wonderful opportunity to support a school family who has experienced an unexpected health issue. They have also designated money for the safety and remote learning items needed because of COVID. Please be generous when asked for a donation.
