Immanuel Lutheran School, Giddings *Inspire, Learn, Care, Serve*

K.I.D.S. Savings Plan

Personal Savings account that helps build churches and schools.

Starting this week:

Wednesdays: 7:20-7:50

Stamps: \$0.25 & \$1.00

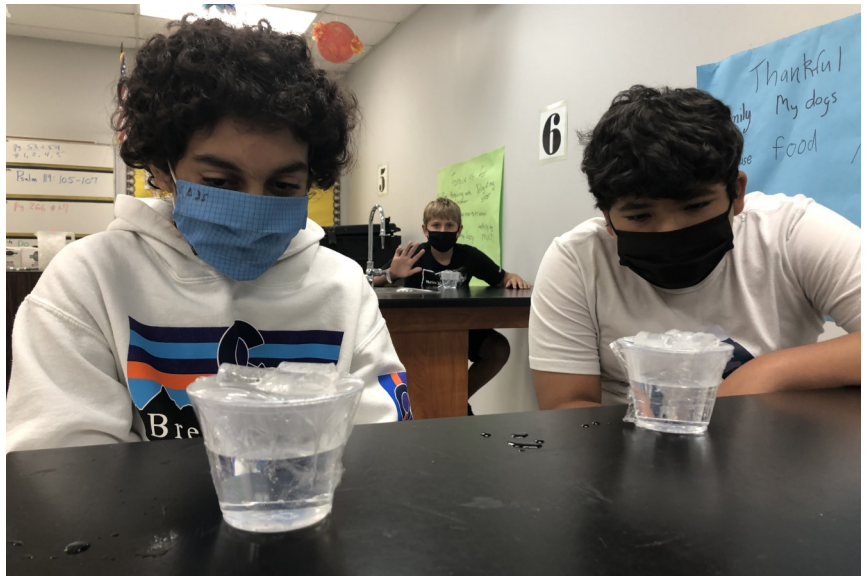

Texas District Lutheran Church Extension Fund

Robotics to Begin

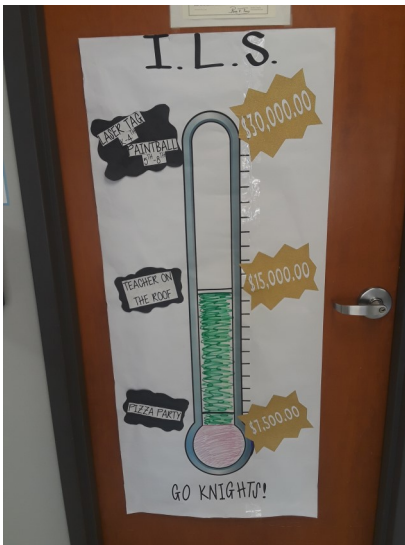

The closing of the campus last spring resulted in unfinished projects with the robotics group. Now that we have started up again we feel with proper safety measures we can resume building. Therefore robotics will start next Wednesday from 3:20-4:00. All students will be required to wear masks and gloves as they handle the Legos. Students will stay in the assigned groups so they work with the same robot each week. We will not accept any new participants until we see how many returning students we have in order to avoid crowding.

Q & A with Principal Mr. Wolfgram

The year has started off very well for us and we have been blessed to stay healthy and COVID free thus far. In order to keep communications lines open, Mr. Wolfgram will be available to meet in a virtual meeting next Wednesday at 7:00 P.M. The link to the meet is <https://meet.google.com/ohr-agdi-hed?hs=122&authuser=0>. There is little new to report but he will answer any questions or concerns.

Inquiry based learning regarding condensation makes science a fascinating subject.

Although falling short of the goal of \$30,000 the PTL fund-raiser was successful in raising a significant amount of money for the Lara family and school safety expenses. The three week total is \$19,715. Thank you for your generosity.

Students learn categorization and creativity in science. Mr. Kuiper does an excellent job of designing a number of activities to engage students in the material.
