EAGLE FUN DAY

This year LHNE's EAGLE FUN DAY will be held in the Spring! On Friday, April 23rd at 9am, current 6th, 7th, and 8th grade students are invited to walk the halls of LHNE and meet many of our teachers. This event is to help those students who are planning to attend LHNE more comfortable in the classrooms and will help them to get to know other students who are coming next year. It is also an opportunity for students who are unsure of where they are attending to visit the school and find out more. Students from local feeder schools will be attending as a group, but students from all schools are invited as well. If you would like your son or daughter to attend, please give us a call so we can include them!

LHNE Presents FOOTLOOSE

This year, LHNE is producing the musical Footloose. We have more than 40 students who are contributing to the performance whether it be through dancing, singing, acting, building the set, or helping with costumes and make-up. The public is invited to see the LIVE performances on April 9th and 10th at 7pm. Masks are required for audience members. Please come help us support these students and directors who have put in numerous hours of time to make everything happen. It is certainly a joy to have in-person activities and events, and we

FBLA & FFA State Conventions Go Virtual

This year, COVID has caused the FBLA and FFA state conventions to be held virtually to avoid bringing students from all over the state into one area. Both LHNE organizations are having smaller events that allow for learning, leadership and fun. If you know a student in either one of these organizations, talk to them and find out what they were able to do that helped to make these local events meaningful. LHNE currently has 37 FBLA members and 20 active FFA members.

Upcoming Events
