Building Healthy Families:

"A good father is one of the most unsung, unpraised, unnoticed and yet one of the most valuable assets in our society." Lutheran Family Service staff affirm this quote from Billy Graham and recognize the incredibly vital role fathers play in the lives of their children and families. On this special day when we celebrate Fathers, notice and thank the men you know who are leading their families through these challenging days. God bless our fathers! **Lutheran Family Service** - www.LutheranFamilyService.org.

LCMS Foundation:

"Why can't I just let my kids sort this out?" Many have the impression that the "executor/executrix" (personal representative) can make distribution decisions about the assets found in your estate, or that a trustee will make decisions about things needing distribution from your trust. The truth is, they are meant only to carry out the plans you have already put in place. They are limited by law from redirecting assets toward things not specified in the will or trust. If you don't plan, distributions will be crude. Your LCMS Foundation Gift

Planning Counselor can help you begin to think about your goals, working with your professionals to get it all written down.

CHRIST-CENTERED, CROSS-FOCUSED... Issues, Etc. is a radio-talk show and podcast produced by Lutheran Public Radio in Collinsville, IL and hosted by LCMS Pastor Todd Wilken.
