**May 17** “Ascension Day, a holy day falling inconspicuously on a Thursday in May, is the conspicuous declaration that we are not left as orphans. In the same post-resurrection body that He invited Thomas to touch, Jesus invites us to full humanity even today. He ascended with a body, He shares in our humanity, extending His own body even now, promising to return for our own bodies. Christ is preparing a room for us, and we can know it is real because He himself is real.” *Jill Carattini, Ravi Zacharias International Ministries – A Life Quote from Lutherans For Life • www.lutheransforlife.org*
