

Baking Instructions for Caramel Apple Pies

Preheat oven to 350 degrees F. Remove plastic wrap and place on baking sheet. Do not thaw prior to baking. Allow streusel topping packet to sit at room temperature for 5-10 minutes and then break apart any large clumps and sprinkle evenly over the pie. Bake for 65 minutes or until streusel is golden brown. Baking times may vary by oven from 55-65 minutes.

Baking Instructions for Apple and Cherry Pies

Preheat oven to 350 degrees F. Remove plastic wrap and place on baking sheet. Do not thaw prior to baking. Whip one egg and brush the top of the pie with the egg wash. Bake for 65 minutes or until crust is golden brown. Baking times may vary by oven from 55-65 minutes.

Pumpkin and Pecan – thaw and warm if desired
