Sunday School News

Summer Sunday School

began **June 4th**, with Martha Semanko as teacher for 3- to 11-year-olds. If you will be entering 6th grade on up, join Ryan in the basement with the 'big' kids.

Melissa Gornowicz, Sunday School Superintendent, is searching for more substitute teachers for the fall. Consider whether this may be a calling for you.

Rally Sunday is slated for September 10th. Be sure to be at the church at 9:30 am for a kick-off event to remember!

"Who Is This Jesus Guy?"

Plan now to attend our family-oriented Vacation Bible School! We will learn about Jesus, our Lord and King, who was born and was baptized, who saved us from our sin! Join us from **6:00-8:15 pm**, Sunday, **July 30th** through Thursday, **August 3rd**. Ryan and a dedicated group of leaders will host VBS for **Readers** (entering 2nd grade through 6th or 7th grade). At the same time, Pastor Worrall will lead **Adult VBS**, entitled "Christ in the Four Gospels", which includes at least one video night. Melissa Evensen will head the leadership team for **Pre-readers** (ages 3 through 6 or 7). Through fun activities related to Jesus' life, all the children and adults will learn more about our Lord and Savior, Jesus Christ!

Plan to **reach out** and invite families that you know from your corner of the world, too! The saving grace of Jesus is so important – we just *have* to share it!

A cook-out is planned for Thursday evening, prior to our last evening of VBS.

HELPERS ARE NEEDED – please contact the church office or Ryan to volunteer. We especially need teens and adults to help with Registration on the first evening, and Leaders for Games, Music, and Crafts.

REGISTER by going to Immanuel's website, or by picking up forms in the Sign-Up Center.

Get excited about VBS!

I will also speak of your testimonies before kings and shall not be put to shame" (Psalm 119:46)

October 31st is rightly celebrated as Reformation Day, the day in 1517 Martin Luther published The 95 Theses for debate, an action considered to be one of the sparks of the Reformation. June 25, however, is at least as important. On this date in 1530, Chancellor Christian Beyer, a member of the government of Duke John, elector of Saxony, read before Holy Roman Emperor Charles V and a gathering of princes (a "Diet") in the city of Augsburg, Germany, a confession of faith signed by seven princes and two city councils in whose lands the teachings of Luther and the Wittenberg reformers had taken root in the previous decade. Luther's colleague, Philip Melancthon, is the principal author, though he used several previous documents in the preparation.

As he was still under the imperial ban, Luther himself was unable to attend the meeting in Augsburg. When Melancthon and other Lutheran theologians and princes arrived at Augsburg, they found that they were being accused of just about every heresy known to the church. So they decided to make a united Lutheran defense of their teaching, both confessing the Gospel teaching of the reformation, and also showing that it was nothing new. Not only is Lutheran teaching based solely on Scripture, it is essentially the doctrine of the church universal from the beginning. The purpose of the confession was also to explain why and how the churches of the Lutheran reformation had corrected certain abuses that had sprung up in the church.

The genius of the resulting Augsburg Confession is that, in clear and unambiguous terms, it shows how the Gospel, the good news of justification by grace for Christ's sake received through faith alone, is the heart of every major teaching of the church. Drawn from Scripture, Lutheran theology seeks to bring the greatest comfort to hurting and broken people, to penitent sinners.

As Lutherans, we subscribe other confessional statements in the Book of Concord – Luther's

catechisms, the Formula of Concord, etc. – but none are more important than the Augsburg Confession. Here we insist that "we cannot obtain forgiveness of sin and righteousness before God by our own merits, works, or satisfactions, but that we receive forgiveness of sin and become righteous before God by grace, for Christ's sake, through faith, when we believe that Christ suffered for us and that for his sake our sin is forgiven and righteousness and eternal life are given to us. For God will regard and reckon this faith as righteousness, as Paul says in Romans 3:21-26 and 4:5." (Augsburg Confession, Article IV, Tappert edition, p. 30).

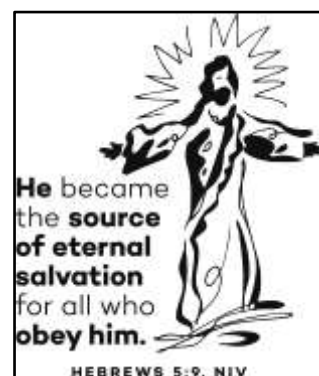

This teaching is not only meant to comfort, but it begs to be confessed and proclaimed in the world. It is the beating Gospel heart of Christ's mission through His church. Christian Beyer, it is said, proclaimed the text of this confession in a loud voice for all to hear. We also cannot keep it to ourselves, but must bring it to many more that they too might hear and believe. May we in our day faithfully confess this Bible teaching, centered in Christ.

You might have noticed that there is a new **eternal candle** in our sanctuary. Thanks to recent Memorials given, the Fixer-Uppers were able to install this addition to our sanctuary. Jean Larson had donated the previous eternal candle; and it has found a good home, too.

FOOTGOLF? What's That?

Wikipedia defines "Footgolf" this way: The game is played similarly to golf, with the exception that players use a soccer ball instead of a golf ball, and the ball is kicked rather than struck with a club, working toward a 21-inch "cup" in place of the usual golf hole. The player who finishes the course with the fewest shots wins.

Come on, Middle School and High School youth!

LWML Update

After a very busy spring filled with activities and opportunities to serve, things have quieted down some for the summer. However, keep your eyes, ears and hearts open - there are always ways we can reach out individually or in small groups to be of service to others!

May 24 our LWML Unit served for Grace Lutheran School graduation. Four women – Norma Frohberg, Joan Miller, Louise Tegtmeier, and

Karen Woyen - worked to set up tables and prepare everything before the graduation. Those helping with serving and clean-up were Sharon Brandt, Joan Miller, Rhoda Viker, and Patty Walla.

THANK YOU to all those helping out! We were pleased that it was our year to serve, as 3 of the 6 8th grade graduates were from Immanuel (Josh W, Ben D & Sofia J), and we were fortunate to hear Josh give his salutatory address, as well as Pastor Bernie's graduation message. We also had a kindergarten grad from Immanuel – Maris Hirsch. The National LWML Convention in Albuquerque, NM is in session as I write this newsletter. A new LWML logo was unveiled at the convention, pictured here.

We look forward to hearing highlights from the convention at our **Unit Meeting on August 15 @6:30 pm**. Mark your calendars now so you don't miss it!

Fall Women's Retreat @ The Chieftain in Carrington, ND is scheduled for **September 15-17**. The theme is 'Bearing Their Burden,' focusing on ways to respond to people who struggle with same-sex attraction.

Pastor Eckstein from Concordia Lutheran Church in Jamestown will be leading Bible study and discussion. See the posters at church for more

details. Registration at the Chieftain opens July 1st. Please keep members of our own LWML Unit in your prayers – those suffering with illness, recovery from accidents or surgeries, those who are lonely or in need of encouragement and a comforting word or hug. God's blessings to all of you as you enjoy summer, whether at home, traveling, or whatever activity you are about. And remember to watch for information on projects and activities resuming in the fall!

Book Review

like your Jesus supersized! No? Perhaps you prefer yours extra small, and hold the onion please.

Here's the same question: When's the last time you took a hammer and a chisel to the Jesus of the Bible and formed Him into your own personal Jesus? *Will the Real Jesus Please Stand Up?* not only reminds us who the real Jesus of the Bible is, but it also reveals to us twelve false christs who are embraced, loved, promoted, and revered—even by well-meaning Christians.

Praise for *Will the Real Jesus Please Stand Up?*:

“The real Jesus has stood up. He is risen, and Pastor Richard will leave you feeling confident that the real Jesus has done this great thing, precisely, for you.”

—Pastor Jonathan Fisk, Host and Producer at KFUD Radio, Creative Dir, Worldview Everlasting
About the Author

Rev. Dr. Matthew Richard is the pastor of Zion Lutheran Church in Gwinner, North Dakota. He is married to Serenity, and they have three children. He enjoys fishing, pheasant hunting, watching movies, writing, golfing, spending time with his family, and a good book with a warm latte!

Pastor Schulz thinks so highly of this book that he bought a copy for each of his children! Order yours from cph.org today!

Women's Ensemble

All **women and youth** (grades 7 and up) are invited to sing with a women's ensemble for worship on Sunday, **August 13**. Rehearsals will be the 3 previous

Sundays (July 23, 30, and Aug. 6) for 15-20 minutes right after the early service. Please contact Katie Rolf, kathryn.rolf@gmail.com or 651-336-1012, if you would like join.

Richard Frohberg “SNAGS” Top Honors!

During our Immanuel Men's Fishing Outing on windswept Devils Lake, Richard thought he had a snag. The boat was backed up until his “snagged line” was right beside the boat. Richard grabbed the line with his hand, trying to loosen the hook from whatever was on the bottom. Richard exclaimed that there was a fish on the other end, which was causing his line to move. He reeled up the line and a 24” walleye was netted. Richard beat out Wayne Hankel's largest walleye by a half-inch.

Immanuel Men's Fishing Group has been going to different MN & ND lakes for 40+ years. The attendees share great fellowship with evening devotions. There is friendly competition vying for the honor of getting one's name on the traveling trophy.

Our trips are open to all men & friends of Immanuel. Want to join our group next year? Contact Ed Bean. Next year's destination is yet to be determined. *Pictured below (LtoR): Ed Bean, Wayne Hankel, Bruce Levenson, Richard*

“MAIN STREET LIVING NORTH”

TV PROGRAM – JULY

Our locally produced LCMS TV program, “MAIN STREET LIVING NORTH” is now in its 7th month of airing! **Please continue to share** information about the program with family and friends – especially now during the summer months when more traveling is taking place. Remember, if you can’t catch it on TV on Sunday morning, you can watch it anytime by going to www.mainstreetlivingnorth.com, as all programs are archived on the website! The schedule of which pastors are leading upcoming services is also posted. You might recognize that the background of the sermons is familiar, as Immanuel serves as the ‘recording studio’. This recording is done every other month, overseen by our own Jay Schaefer. The Choir is a group of local singers – which you can join, if you’d like. Then, after recording, our very own DCE, Ryan Avery, edits, attaches the closed-captioning, and transmits the files to the TV station.

The program is aired at 10:00AM Sundays on the following FOX affiliated stations: KVRN Fargo-Moorhead Channel 15.1, KBRR Thief River Falls-Grand Forks Channel 10.1, KJRR Jamestown Channel 7.1, KNRR Pembina Channel 12.1, PLUS the cable and satellite systems carrying these stations. As you can imagine, purchasing TV air time to broadcast this gospel program doesn’t come cheap. This program is financially supported through viewers and members of our LCMS congregations, and depends mostly on us as LCMS members until greater viewership is established over time. Checks may be sent to “Main Street Living North”, 821-5th Ave. S., Fargo, ND 58103, or donate by credit card or PayPal account at: www.mainstreetlivingnorth.com.

(Add the note: “For MSL North”). Thank you and God’s blessing in Christ!

Questions or concerns may be directed to our congregational contact, Pastor Schulz.

My Faith Story

“My Faith Story” has been a popular article in this newsletter. We need YOU! Length of the story is not important; heartfelt, true stories are terrific! Alternately, you may dictate your story or interview a friend or family member.

Consider spending a too-hot day in front of a fan or your air conditioner, writing down one of your stories! Let’s hear from YOU!

Pastor Schulz would like thank everybody who **wore Red** for June 4th worship services to help commemorate the Holy Spirit’s work in our lives. It was the highest participation rate in many years!

Nestled in Nairobi: Julie McManus in Kenya June 2017 – One Final Goodbye

Welcome to Minnesota

Well, it's official. I'm back in the States; the past two years have flown by! I think back on two years ago when I was preparing to leave for Kenya; now I'm looking for new jobs and hoping to find an apartment in the Twin Cities. The first week back, I spent time with the Trumps and helped them settle into their home in Wisconsin. I got to bring the boys to parks around the area, snuggle a new little baby, help organize, and more. The week went by so quickly and before you knew it, I was saying bye to this family that I have gotten to know, and love, so much.

Since arriving in the States, my time has been pretty on-the-go busy. I have spent time on my grandpa's farm in Hutchinson, spent time in the Chicago area with my grandma, visited the Trump family for a week, attended two weddings (and caught two bouquets), and saw many of my friends and family members.

Thanks to all of you for the continued prayers and support the past two years. I am extremely lucky to have all of you in my life, praying for me, and being eager to hear about the work I have done in Kenya. I had such an amazing experience that I know will help me in my future careers. I am very excited to see how it all plays out.

This will be my final newsletter to all of you; but if you want to stay in touch, send mail to me at the address below – or find me on Facebook!

Thanks! Julie McManus

Dear Immanuel Family,
The family of Bill Sharpe wants to express most humble thanks for the care, concern, prayers, and love showered on us during Bill's illnesses throughout the years. The past year was overwhelming with three separate biopsies for cancer, surgery, heart attack, three weeks at Mayo Clinic, and Bill's death from brain cancer. God indeed provided us with a strong support group here at Immanuel. We are blessed and thankful for all of you!

In His love, Gale and family

We would like to **thank you** for all the cards both for our anniversary and the loss of my sister. Thank you also for the donations to the Building Fund, Alms, and Christ the Way. Thanks for all your love and support.

God's blessings, Leona & Ed Leapaldt

Cori Trautman is searching for **Guardian Angels** for beginning confirmands. Each volunteer is assigned a confirmand to pray for and send small remembrances at special times. The Guardian Angel usually remains anonymous until the day of the student's confirmation.

Wow! A big "thank you" to everyone who made the **Rock and Rail Benefit for Angie Peda** so successful! We were thrilled to meet (and exceed) our fundraising goal in order to make the rail system a reality for Angie and Ray. We are thrilled to have donations and matching funds exceeding \$30,000. What a joy to have Angie and Ray home for the event and to hear Angie's witness to the power of the Savior in her life as she copes with ALS.

The Lord has truly blessed the Immanuel congregation with compassionate and loving members and we thank Him for bestowing so many talents on his people. An undertaking this large requires many people working very hard. Thank you to the benefit committee for all your months of planning, meetings, and preparations. Thanks to all who prepared and served the delicious spaghetti meal, to all who helped organize a beautiful silent auction, to the many members who baked treats and organized the cute bake sale, and to the ice cream shop team for the yummy treats. Thanks to the highly qualified financial wizards, to the creative publicity team, to the talented musicians and dancers who entertained us, and to the youth who volunteered with table clean up. Thank you to all who helped move tables, set up and cleaned up the room, to Dean who stayed up all night to provide security, and to Ryan for his expert help with the stage and sound system. Thank you to all who solicited auction and financial donations, to the many generous donors and bidders of auction

items, and to all who came to the benefit to show their support for the Peda family.

Additionally, I want to acknowledge the Dakota Medical Foundation's Lend a Hand program, Thrivent Financial for the action team dollars, and the Immanuel Thrivent Choice Dollars donors and committee for their support. Praise God from whom all blessings flow!

Thanks also to Pam Sommer, who forgave the editor of this newsletter for forgetting to include this article in May and June. LMT

Update: Angie and Ray have been using the rail system continuously since the installation in late May. Ray reports that it has been a wonderful adjustment to make, which eases everyone's efforts.
