List who may pick up this child [parents assumed to be on list]:

Any other special circumstances? _____

I will help by [circle] Praying, Planning, Helping, Leading. Contact me.

*Signed [participant/parent/ guardian]: _____

Thank you for registering yourself and/or your child(ren) to attend Vacation Bible School at Immanuel this August. Complete and return the form on the left, and we will make sure to have all the supplies ready as we have a great experience, learning about “Paul’s Amazing Journey”.

In five sessions, kids learn about Paul and the early church after Christ’s ascension – while deepening their Christian relationships to each other. They explore New Testament Bible stories; sing great songs; make awesome crafts; play energetic games; and more! We will have small *color-coded groups* within two main groups: **Pre-Readers** (ages 3 to 6 or 7) and **Readers** (usually *entering grades 2nd thru 6th or 7th*). Older teens & adults will escort Groups to the various activities.

There will be a registration table set up in the Welcome Hall. Then children will gather into their color-coded areas. The opening devotion begins for all students (including the concurrent Adult Bible School participants) at **6:00 pm** in the main church. You may pick up your child at **8:05 pm** at the appointed color-coded gathering area in the Welcome Hall.

An option this year: LWML is sponsoring a free-will offering supper on Monday, Tuesday, Wednesday, and Thursday evenings, from **5 until 6pm**. There will be an ice cream social at **5:30 pm on Sunday**, August 5th to kick off the week.

Adult VBS will meet in the basement again this year. Pastor Schulz will lead adult on a study of Paul’s faith journey, too.

As part of VBS, we share God’s blessings with other children through a mission project. We plan to contribute to helping Sudanese men who want to become pastors. Information and an offering envelope will be sent home Sunday of VBS.

We look forward to a great week! Please contact our VBS Co-Directors if we can help you in any way. Perhaps you or your teen can help us in some capacity! Contact us about that, too.
