

Birthday's are Special!

Dear Parents,

It is almost time for your child's birthday. **While not required, many parents want to help their child celebrate their birthday with their school friends.**

If you choose to send a food treats, please **be sure it is individually wrapped or portioned to make passing it out easier. We have _____ kids in our class.** Some of the kids in our class have allergies, so we have chosen the following items that may be sent for Birthday treats (These are the only approved special treats):

1. Fruit Snacks- Must be Nut Free and Dairy Free
2. Oreo Cookies- Original Only-Check the label
3. Jell-O Cups-Check the label
4. A Seasonal Fruit (Orange, Banana, Grapes, etc.)

If you would rather avoid the hassle of sending an additional snack. You could send in a goody bag with non-edible items to be sent home with each child.

You are still responsible to send the assigned snack for the school which is stated on the snack calendar and 2 boxes of Ritz crackers.

Additionally, some parents like to plan parties for their child outside of school. We encourage this practice however; the policy for our school is that we only pass out invitations at school if there is one for every child in the class. If you plan to invite only a few children to the party, you will need to pass out the invitations outside of school. If you need a class list, please let us know.

Thanks for your cooperation in following these guidelines to ensure that ALL our children can enjoy birthday celebrations in our school.
