February – Catch-up & Final Projects Work**

September – Ten Commandments
October – Baptism

2023

January – Confession & Absolution
February – Catch-up & Final Projects Work**

* Required modules for receiving the Lord's Supper, usually offered in subsequent months

** Modules should normally be completed during the months they're offered, but this month of catch-up is scheduled to account for unforeseen circumstances of a personal nature. This also allows for students who are finishing up their final projects (profession of faith essay, banner, and interview) to have the time to do this before Palm Sunday.
