

Important Information for King of Kings Lutheran Church and Preschool
Victory: You are invited to the Ultimate Pep Rally
July 10-14, 2017

The Bible is filled with examples of God's people **shouting** and **cheering** in response to his mighty acts of power. **Victory** invites children to do the same by remembering **who God is, what He has done** and **what He promises to do!**

The Preschool age children will have the same theme for the day but they will stay in their classroom for most of the day, with the activities being brought to them. The older children (grades 4-6) have a service project based program designed just for them.

Attire: Children will be sitting on floors, doing messy crafts, eating and playing outside. Play clothes and close-toed shoes are the appropriate attire for VBS. Clothes-toed shoes are especially important this year, as "Recreation" will be outside, with lots of running around. **Please no flip-flops!**

Donation: We are asking for a donation of \$50 per child to help us cover the cost of this event. There will be a basket available at drop off and pick up each day.

Drop off procedures: Our program will begin promptly at 9:00 am in the main worship area in the larger of the two buildings. Each day, we will have an **Early Bird Event starting at 8:45 am**. Please arrive a few minutes early if you do not attend the Early Bird Event so your children can sign in, find their class in the Worship Center, and settle in. Feel free to stay for the opening program and to attend the Early Bird Event. We ask that parents sit in the back section of the Worship Center during the opening. On Monday, please allow extra time to pick up your children's nametags and meet their teachers.

Pick up procedures: We want to create a safe environment for your children while they are at VBS. You will receive an email later in June with your "Release Card" for your child(ren). You will need the card to pick up any child you are taking out of the building. On the first day, you will be told where your child will be at the end of every day and where they will be available for pick up. As you exit the pick up area, please present the release card to the volunteers at the door who will match the number on the release card to the number on the child's nametag. The volunteer will remove the child's nametag after verifying the numbers. If you forget or misplace your release cards, you will need a photo ID. If someone other than a parent is picking up your child, please make sure you give him/her the release card. We appreciate your cooperation with these security procedures.

If your child cannot attend: Please call the church at 703-378-7272 if your child will be absent for the day.

Emergency procedures: There will be a registered nurse on site to administer first aid unless advanced care is needed. In the event of a medical emergency, we will contact the designated emergency contact on the registration form.

VBS Closing Celebration for Parents, Families and Friends: On Friday, July 14, you are invited to a special closing celebration. More details will follow. This is a fun time for the children, their families, teachers and all volunteers.
