

2018 REGISTRATION PROCESS

Participants will have 3 opportunities to register for classes on a first-come basis. Your child will know which classes they will be signed up for the date they register. A form will be sent home and will be the only reminder you will receive. This year we will accept mail-in registration forms. Please understand that the mail-in registration forms will not be reviewed until after the 3 sign-up dates. A letter will be mailed to you with the classes selected for your child. **Mail-in forms should be mailed to:** St. Paul Lutheran Church, 318 West Wyandot Ave., Upper Sandusky, OH 43351. **The deadline for mail-in forms is March 16, 2018.**

Sign-Up Location: **First Lutheran Church**
601 N. Sandusky Ave., Upper Sandusky
(Please do NOT mail any forms to this address)

Saturday, March 3 9:00 a.m. to 1:00 p.m.
 Wednesday, March 7 5:00 p.m. to 8:00 p.m.
 Saturday, March 10 9:00 a.m. to 1:00 p.m.

REACH is a youth ministry for students in Grades K-5. Our mission is to provide a safe, loving environment where children can explore and enrich their God given talents.

REACH class dates: April 14, 21, 28

CLASS DESCRIPTIONS

FIRST LUTHERAN LOCATION

ARTS & CRAFTS **First Lutheran**
 Tired of hearing "I'm bored?" Doing crafts is a perfect way to liven up any child's day. Let Missy Breidenbach, Marci Huston and Lisa Andres get your child's creative juices flowing with all kinds of arts & crafts. The best art can be messy so wear old clothes.

CRAZY SCIENCE **First Lutheran**
 Kids will focus on mind-bending experiments involving chemistry and physics. Find out how much fun learning about science can be with instructor Andy Ealy.

FUN WITH FARMING **First Lutheran**
 FFA students of USHS and Ag teacher Anna Creswell will explore many areas of agriculture each week. Kids will look at crops and learn the many uses they provide. They will also learn basic facts about farm animals and the products they create. Weather permitting, some farm animals may come for a visit for students to observe. Students will also learn about Ohio wildlife and how they are important to humans and the environment.

JR. CHEF **First Lutheran**
 Jessica Pohlman, Family & Consumer Science teacher at USHS will show students how to create snacks and meals while learning basic cooking skills, food safety and nutrition. Students will prepare simple foods throughout the three classes and taste test their final masterpieces.

LEGO LAND **First Lutheran**
 Ready to build? Students will be stimulating their creativity and learning the basics of structural engineering with LEGOS. Many LEGO lovers will assist students each week at different LEGO stations on how to create cool masterpieces.

JEWELRY & ACCESSORIES **First Lutheran**
 Enjoy being creative in this class! Lesley Hayman will help students improve their small motor skills, work with patterns and practice counting while making their own awesome pieces jewelry and accessories for themselves or to give as gifts. Mother's Day is coming up!

PHOTOGRAPHY **First Lutheran**
 Photographer Nicky Bowen will share her love and knowledge of photography with students. Each week students will be doing something new and exciting with their cameras. A digital camera is needed. Please advise the day of registration sign-ups if a camera is needed.

CAMPING 101 **First Lutheran**
 In this outdoor class, Andy Voorheis will teach you how to camp. We will start by the essentials of camp life, what equipment is necessary, and how to use it. We will be learning how to make fire with campsite conscious safety rules. We will learn an overview of leave no trace and how to camp with minimal impact on the environment. We will end each with a camp snack which you will prepare over the fire. Someone get the marshmallows out!

ST. PAUL LOCATION

NATURE TIDBITS & FUN **St. Paul**
 Join Angie Ford, of the Gottfried Nature Center and Wyandot SWCD, as she gets down and dirty with Nature's abundant supply of Soil and Water. Soil vs. dirt, just what is the difference between them . . . sand, clay, silt, sediment, mud, water cycle, pollution, micro-organisms, are a few of the terms that we will investigate. For the last three Saturday's in April, we will explore, investigate, and appreciate all of the non-living resources that provide us with life! Microscopes, dirt shakes and core samples from a cupcake are a few of the interesting things that we will be getting into!

ORIGAMI **St. Paul**
 Fun and simple! Retired elementary school teacher, Carolyn Richardson, will introduce students to Origami, the wonderful Japanese art of paper folding. Not only will it help your children develop hand-eye coordination and sequencing skills, it will create a great sense of accomplishment in them. Students will definitely enjoy folding colorful boxes, boats, animals and other projects.

SWEET TREATS

Learn how to make simple treats with a fun twist. Brenda Koehler will teach you easy tricks you can easily do at home. Everyone loves extra special sweet treats. Learn how to properly measure, follow directions and create. You will be able to take the treats home with you to share with your family.

St. Paul

SEW MUCH FUN

June Eier and her sewing crew will introduce basic sewing skills. Students will learn how to stitch by hand and how to sew on a button. No sewing machines will be used. Several fun handmade projects will be completed using the sewing skills taught.

St. Paul

A DAY AT THE SALON

Do you want to learn how to enhance your beauty? Enthusiastic stylists and technicians from A Cut Above will teach your child different ways to braid their hair and show them proper nail care along with nail painting and art.

St. Paul

TASTY SCIENCE

Ah, the sweet taste of science at work! In this exciting class Lexa Cheney will be showing students how to turn a kitchen into a science lab. The young scientist will create fun tasty experiments while learning about volcanoes, dinosaurs, and Goldberg machines. This might involve eating some yummy sand! What a tasty experience!

St. Paul

DARTBALL

Members of the Wyandot County Church Dartball League will teach your child the fundamentals of the game. This sport has been played in Wyandot County since 1948 by young and old alike. The darts are sharp objects and real darts will be handled in the class. Come learn how to safely handle and throw the darts and how to keep score in the game. **Grades 3-5 ONLY.**

St. Paul

CARTOONING

Words and pictures, they have been used to tell stories since there were people to tell them. Alex Barth will show students how to use sequential art to tell their own stories. All materials will be provided; just bring your imagination! A "play" shirt is recommended, because there will be ink.

St. Paul

UNION LOCATION

TRIPLE THREAT THEATER

Workshops are the training playground where students get to learn Broadway songs, musical theater, dance moves and play acting games that will hone their skills as they learn what it means to become a triple threat on the musical theater stage. Join Keitha Voorheis for a high-energy, fun-filled, fast-paced activity based workshop you won't soon forget.

Union School

KANJAM

Are you looking for another activity to get your kids outside on beautiful summer days instead of sitting on the couch? In this class the physical education teacher, Roman Ream, will teach your child how to use good sportsmanship, how to work with a teammate and the rules on how to play Kanjam. The sole purpose of the class is to give students the opportunity to learn a new game they might like to play at home so they can stay active. The school will provide all of the equipment, so just come and have fun! **Grades 3-5 ONLY.**

Union School

BALLET

Enter the magical world of flowers and fairies in the Secret Garden. This year dance instructor Jill Blackburn from Simple Gifts Dance will take children through the enchanted story of the Secret Garden while introducing them to ballet. Explore Dance elements and learn basic ballet technique while encouraging creativity, developing flexibility, balance & grace.

Union School

BATON

Students of former USHS head majorette and owner of Galaxy-Twirling, Carrie Freshour will introduce your children to the wonderful world of baton. Students will learn baton basics of rolls, tosses and marching, while gaining hand eye coordination, balance and body movement. Not only will your child learn to manipulate a weighted stick, they will gain lots of self confidence from this sport. Students will learn a basic routine by the end of classes. Students may bring their own batons but it is not necessary.

Union School

INTRO TO WATER COLOR & ILLUSTRATION

Bobby Nichols will teach basic water color techniques and basic illustration skills. We then will use these skills to create an illustration for a story. Bring your creativity!

Union School

PAPER MACHE MASKS

Would you like to disguise yourself as a super hero or maybe an animal? Come join us and make a paper mache mask!! Students will cut paper strips and glue to construct fanciful masks. When the paper mache is dry, we will paint our mask with a variety of designs. We will then decorate with beads, yarn, feathers, and glitter, and variety of other materials to finish our new faces.

Union School

KARATE

Paul Black, a 6th Degree Black Belt from the Ferris Academy of Martial Arts in Brighton, Michigan will introduce karate in this awesome class. Paul will teach your child basic kicks, strikes, blocks and self defense techniques. Please wear loose fitting clothes such as sweat pants.

Union School

WRESTLING

Do you want to know about the sport wrestling? Bill Thornton has been a wrestling coach for 25 years in the Upper Sandusky School system and a class 1 official for 12 years. He will instruct each athlete in the fundamentals of the sport of wrestling in order to prepare you for middle school and high school participation. The athlete will be instructed on the benefits of good nutrition, exercise, tumbling, basic moves and good sportsmanship to prepare them to become a well rounded wrestler.

Union School

WYANDOT LANES LOCATION

BOWLING

Want to teach your children patience and good sportsmanship while improving hand-eye coordination? Do your children need exercise? Let Brandt Walton introduce them to the sport of bowling at kid-friendly Wyandot Lanes. He will provide instruction on how to hold & throw the ball while using bumpers to help them knock down lots of pins. Just come ready to have lots of fun. Mark your shoe size on the sign up sheet.

I'M GOING TO REACH

April 14, 21 & 28, 2018

~ Registration Form ~

Please be sure to fill out both sides of this form.

Participants will have 3 opportunities to register for classes on a first come basis. Your child will know which classes they will be signed up for the date they register. A form will be sent home and will be the only reminder you will receive. This year we will accept mail-in registration forms. Please understand that the mail-in registration forms will not be reviewed until after the 3 sign-up dates. A letter will be mailed to you with the classes selected for your child. **Mail-in forms should be mailed to:** St. Paul Lutheran Church, 318 West Wyandot Ave., Upper Sandusky, OH 43351. The deadline for mail-in forms is March 16th.

WE ALL HAVE DIFFERENT GIFTS THAT GOD HAS GIVEN US... -- ROMANS 12:6
