## CLASS DESCRIPTIONS

### FIRST LUTHERAN LOCATION

#### **A DAY AT THE SALON**

#### **First Lutheran**

Come enjoy learning different ways to style your hair, proper nail care and a day of fun with makeup. Kelly Giacalone and enthusiastic stylists and technicians from A Cut Above Salon will share their many skills as they teach you creative ways of highlighting your natural beauty.

#### **ARTS & CRAFTS**

#### **First Lutheran**

Tired of hearing "I'm bored?" Doing crafts is a perfect way to liven up any child's day. Let Missy Breidenbach and Lisa Andres get your child's creative juices flowing with all kinds of arts & crafts. The best art can be messy so wear old clothes.

#### **CALLIGRAPHY**

#### **First Lutheran**

Calligraphy is a beautiful art of lettering and handwriting. You will follow simple instructions to master class alphabet script and learn how to modify these styles to produce stunning effects. You will complete your own motto on special calligraphy paper. All supplies furnished - bring your own talent and prepare to have fun with Teresa Logsdon. **Grades 3-5 ONLY**

#### **CRAFTY SCIENTIST**

#### **First Lutheran**

Want to be a crafty scientist? Then come help Miss Jill from the Upper Sandusky Community Library do a science experiment and a craft along with it.

#### **FUN WITH PHYSICS**

#### **First Lutheran**

Join Andy Ealy in discovering fun, with Physics! Exciting experiments and activities that showcase neat and interesting ways things work!

#### **JR. CHEF**

#### **First Lutheran**

Jessica Pohlman, Family & Consumer Science teacher at USHS will show students how to create snacks and meals while learning basic cooking skills, food safety and nutrition. Students will prepare simple foods throughout the three classes and taste test their final masterpieces.

#### **ORIGAMI**

#### **First Lutheran**

Fun and simple! Retired elementary school teacher, Carolyn Richardson, will introduce students to Origami, the wonderful Japanese art of paper folding. Not only will it help your children develop hand-eye coordination and sequencing skills, it will create a great sense of accomplishment in them. Students will definitely enjoy folding colorful boxes, boats, animals and other projects.

### ST. PAUL LOCATION

#### **DARTBALL**

#### **St. Paul**

Do you like baseball? Then dartball is for you. Dartball is a fun game in which darts are thrown at a large wooden board that resembles a baseball field with colored areas which denote bases. The darts are SHARP objects and real darts will be handled during this class. Members of the Wyandot County Church Dartball League will teach your child how to safely handle and throw the darts and how to use baseball like scoring. **Grades 3-5 ONLY.**

#### **DESIGN A SIGN**

#### **St. Paul**

Do you love everything mermaid, unicorn and rainbow? Do you love to paint and be creative? Come join Brittany Winters to create and paint personalized wood signs. Get ready to get messy and learn how to distress, stain and paint signs.

#### **NATURE TIDBITS & FUN**

#### **St. Paul**

Join Angie Ford and her husband BJ as they investigate some of "Nature's Mysteries." Why can't some birds with wings fly? Why are some rocks sharp and some are smooth? We will dive into some of these mysteries and more through activities, crafts and etc.

**SCULPTING WITH POLYMER CLAY****St. Paul**

It doesn't matter if you want to make dragons and dinosaurs or cute little animals we can show you the tricks of working with Polymer Clay. The Brightness, the squishiness, and oh the possibilities! But if you don't know the tips and tricks to polymer clay you might get frustrated. We will show you how to do it the right way! Join Andrea Schneider and Brenda Koehler along with Drew Lamp for lots of creative fun!

**SNACK ATTACK****St. Paul**

In the mood for food? Let's create simple and delicious snacks guaranteed to satisfy your hunger. The only thing you need to bring is your appetite.

**TRIPLE THREAT THEATER****St. Paul**

Workshops are the training playground where students get to learn Broadway songs, musical theater, dance moves and play acting games that will hone their skills as they learn what it means to become a triple threat on the musical theater stage. Join Keitha Voorheis for a high-energy, fun-filled, fast-paced activity based workshop you won't soon forget.

**WOODWORKING WITH JAY****St. Paul**

Children who love to build things will enjoy learning to work with wood in this beginner class. Jay Swinehart will teach kids about basic tools, supplies and safety while having fun constructing their own wooden creations.

**UNION LOCATION****BUTTON ART****Union School**

This class will bring out your creative side with paint and glue. Darlene Perricone will help you create an animal picture that becomes 3 dimensional once buttons are added.

**CARDIO DRUMMING****Union School**

Jessica Stansbery leads a high energy workout for all fitness levels. They will be using drum sticks on big rubber balls. Bring a water bottle!

**CERAMICS****Union School**

Students will be creating amazing sculptures with clay, then firing them in a kiln and adding glaze. If you like to sculpt 3-D with your hands and don't mind getting dirty, ceramics is for you. Join Mrs. Kelly Fahle for sculpting fun!

**CHARACTER & DRAWING BASICS****Union School**

In this class Bob Nichols will teach drawing fundamentals and basic figure drawing concepts. Students will walk away with the foundation to inspire them to create their own characters and creatures. This is a great introduction for our future illustrators, cartoonists and video game concept artists.

**KARATE****Union School**

Paul Black, a 6th Degree Black Belt from the Ferris Academy of Martial Arts in Brighton, Michigan will introduce karate in this awesome class. Paul will teach your child basic kicks, strikes, blocks and self defense techniques. Please wear loose fitting clothes such as sweat pants.

**LEGO LAND****Union School**

Ready to build? Students will be stimulating their creativity and learning the basics of structural engineering with LEGOS. Join Mrs. Jenny Young and her son Clay as they assist students each week with different LEGO stations on how to create cool masterpieces.

**MINUTE TO WIN IT****Union School**

Based off of the TV show "Minute to Win It" physical education teacher, Roman Ream, will teach your child how to use hand to eye coordination to complete a series of challenges as they race against the clock. Some of the challenges they will be competing in are: Stack Attack, Back Flip, Defy Gravity, Tilt a Cup, and many more. The school will provide all of the equipment, so just come and have fun! **Grades 3-5 ONLY.**

**WRESTLING****Union School**

Do you want to know about the sport wrestling? Bill Thornton has been a wrestling coach for 25 years in the Upper Sandusky School system and a class 1 official for 12 years. He will instruct each athlete in the fundamentals of the sport of wrestling in order to prepare you for middle school and high school participation. The athlete will be instructed on the benefits of good nutrition, exercise, tumbling, basic moves and good sportsmanship to prepare them to become a well rounded wrestler.

**WYANDOT LANES LOCATION****BOWLING**

Want to teach your children patience and good sportsmanship while improving hand-eye coordination? Do your children need exercise? Let Brandt Walton introduce them to the sport of bowling at kid-friendly Wyandot Lanes. He will provide instruction on how to hold & throw the ball while using bumpers to help them knock down lots of pins. Just come ready to have lots of fun. Mark your shoe size on the sign up sheet.
