A Note from the Pastor — Hold On Tight...

Have you been on one of the newer roller coasters lately? Probably not – roller coasters are kind of a summer thing. Still, I think of roller coasters now. Why? Here we are at the beginning of another new year. Anymore, I have the sense that I am just cresting the top of another giant ride. Most roller coaster rides come in at just under three minutes – still the analogy fits. The years seem to go by with an amazing speed.

I will give my 16th Annual Report to the Voters' Assembly at our meeting on January 7. We have received many new members. We have had many visitors in our midst. The First Responders group has been busy. Our facility is being used by many groups in ways beyond what we had envisioned. There are more funerals and shut-in and hospital visits to make than what there were 16 years ago – which shows us that we have aged. Yet, at the same time we have a healthy cross-section of all age groups. Thankfully, the congregation embraced the needs of its people by calling Pastor Philip Alexander as a part-time Assistant Pastor in our midst. He has been warmly received by those to whom he is ministering and he has picked up the ball and is running with it among the First Responders Group and some fill-in preaching.

The Youth Group, under the leadership of DCE Heidi Frank and Ginger L. has gained some momentum in the past year. I was encouraged by the number of young people who stepped forward and helped with our Vacation Bible School and especially the drama pieces and singing for "Where Luther Walked."

As I write this, I have not yet computed the figures for worship attendance, but I know that we have eclipsed 300 more times this year than at any time in the congregation's history. I can't say for sure, but I would think that attendance at Sunday Morning Bible Class has to rank among the highest within Lutheran circles in the metropolitan area – much of that due to the space available, and the excellent help that we have received from the faculty of Concordia University – with much of that coming from my brother – Dr. Phillip B.. Again, the congregation has noted the need and has provided for the support of these teachers in our midst.

We continue to have a stellar Preschool under the leadership of Denice Hornberger and her staff and the addition of the Pre-K program speaks for itself. The Stephen Ministry has flowered and born fruit under the leadership of Karen H. – who has told us that she will be stepping down – but not without Andrew and Valorie W. to step into her shoes.

Give thought to these groups and activities: the entire Church Council (President, Youth, Stewardship, Christian Education, Properties, Mission & Services, Spiritual Life), our faithful Treasurer (Dorothy), the Men's Group, a new Women's Group, the Amazing Grays, a new young adult group, organists, pianists, band members, the Choir, the Quilters, Sunday School Teachers, Youth Leaders, VBS, the Oktoberfest, the Christmas musical, Angel Tree, Birthday Brunch for Jesus, Spring Fling, Bethesda Christmas Worship & luncheon, a huge new presence on Facebook, dinners of eight, a camping trip planned for this summer, and a plethora of volunteers for a multitude of occasions including: ushers, power-point operators, sound board, acolytes, DVD recording, offering counters, offering recording (thank you Joanne), altar guild, worship assistants, the MMM (main mower man), bulletin and newsletter editors and volunteers. A new ministry among the Bethesda residents recently emerged. Can you tell that I am running out of room to speak on this page and I haven't even begun to let you know of the good that has been done with Roberta serving in the office, the tireless work of the St. Luke Circle, those that visit and those that reach out with cards sent. And more than that, this congregation has been blessed by the generous financial gifts of its members. And surely there are things that I missed!

And the heart and soul of this whole ride is the swift work of the Holy Spirit. Yes, we have our share of bumps and noises (they actually add those noises to the modern roller coasters because they are so quiet). But the Spirit has shaped this and will lead us in the future. Is this where we hold our hands up in the air and scream?

I am still haunted by the deep laugh of Dr. James Nestigen in the newest Martin Luther documentary that ran on PBS. It is the laugh of a man who has known that he isn't the savior of the world—but he knows who is, and even though on our own we had no hope, in Christ we can throw up our hands and laugh – perhaps even a little at ourselves – for being so scared when we shouldn't have been. Hold on tight! Here we go! 2018 is upon us!

LIVING SAVIOR SCHOLARSHIP

The Living Savior Scholarship will be awarded in the spring of 2018. The purpose of the scholarship is to encourage faith development and higher education in the youth of Living Savior Lutheran Church.

All members of Living Savior between the ages of 17 and 25 are encouraged to apply for one of two \$1,000 scholarships to be used in pursuit of a baccalaureate or associate degree during the summer or fall of 2018.

Applications are available between January 1st and March 31st and must be accompanied by an essay on the subject of "What my Christian Faith Means to Me." The winning entry will be chosen by a 3-member panel and the scholarship will be awarded in May.

As members of Living Savior, we need to raise the scholarship funds. You can make a designated contribution directly to the scholarship fund by sending a check to the church and indicating that it is for the "Scholarship Fund" on the face of the check. Please consider making a donation as you plan your end-of-year charitable contributions.

Any questions? Please contact the Church Office.

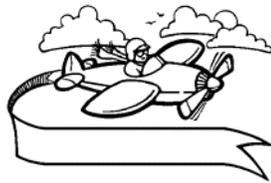

2018 At Preschool

Jesus Calms the Storm

In January, preschoolers will learn about some of Jesus' many miracles. Jesus healing a blind man, calming a storm, and the wedding at Cana. In each situation, people were in need of Jesus' help. They came to him, put their faith in him, and he helped. The last week of January we will hear the story of Daniel. Daniel was also in need of God's help. His faith in God helped him through a very difficult situation.

Secular topics this month include transportation and winter. The drama corner this month will have two very exciting themes. First, the students will be able to board an airplane and travel anywhere in the world. Flight attendants will make sure passengers are comfortable for the flight, while the pilots help get them there safely. The last part of the month a construction zone will be in the drama corner. Students will build high rises, houses, offices, hospitals, etc. with boxes and other building materials.

PRESCHOOL REGISTRATION for 2018-2019

It's time to sign up for preschool for the 2018-2019 school year! Do you know of family or friends with a 3 or 4-year-old in need of a preschool? Child must be 3 or 4 before or on September 1, 2018 to enroll. For Pre-k, the child must be turning 5 by Dec 31, 2018 or already 5-years-old to attend. We will accept registrations and give tours during the month of January and February. All registrations need to be in by February 23rd and are filled — first come-first served. Please stop by the church or preschool office to obtain a registration form. **A nonrefundable registration fee of \$75.00 is required.** Please contact Denice Hornberger, Preschool Director,

Introducing the Office Staff:

If you haven't had the opportunity to be in the church office during the week, you may not know who works so diligently in greeting visitors, answering phones and emails and taking care of publications, power point, and all things necessary to keep Living Savior functioning with efficiency and good will.

Roberta Rinderknecht is the Office Manager and part time secretaries are Christina H. and Maxine S. Judy C. is the editor of the *Living Logos*.

FEEL THE WARMTH

Sometimes it takes more than a hat or a scarf to keep another person warm. Sometimes it takes the presence of a caring Christian friend.

Stephen Ministers share the warmth of God's love with those who need it most: the lonely, the depressed, the grieving. Stephen Ministers are trained to provide confidential Christian care, giving the emotional and spiritual support one needs to make it through a "winter" in one's life. To learn more about how a Stephen Minister can help you or someone please contact the Church Office.

TOPICS IN JANUARY FOR STEPHEN MINISTERS IN TRAINING

- Ministering to Those Experiencing Grief
- Dealing with Depression: The Stephen Minister's Role
- Helping Suicidal Persons Get the Help They Need
- Bringing the Caring Relationship to a Close.

The Stephen Ministry trainees have been faithfully attending the weekly training sessions since the middle of September. Please pray for the trainees as they work through the last two months of their training.

BOOK CLUB

Anne of Green Gables was chosen as our “classic” book this month because so many of us had not read this wonderful book, written in 1908 by Lucy Maud Montgomery. It is a book for all ages and a delightful story of Anne Shirley, an orphan, adopted by Matthew and Marilla Cuthbert, a brother and sister living in Avonlea, Prince Edward Island.

We meet the second Saturday of each month, 10:00-11:30am, September-May. A lively discussion of the book occurs, fellowship is shared and we are refreshed with morning goodies, coffee and tea. Please consider joining the group when you can and invite a friend! There is no obligation to attend every month and no pressure to have the right answers because there are NO right answers. The following is a listing of the books that will be read and discussed:

Coming up . . .

Jan. 13 *Anne of Green Gables* L.M. Montgomery
Feb. 10 *Astoria* Peter Stark

Mar. 10 *The Secrets of Mary Bowser* Lois Leveen
Apr. 14 *The Girl Who Wrote Silk* Kelli Estes
May 12 *Rise of the Rocket Girls* Nathalia Holt

The Light of Life

And Jesus spoke to them saying, "I am the light of the world. Whoever follows me will not walk in darkness, but will have the light of life." John 8:12

One of the fun things about the Christmas season is enjoying the large variety of lights and other decorations that show up in yards and on houses and buildings. However, as I was walking through the neighborhood one morning in December, I noticed the white and orange electric cords that were used to create the lights at night. They were run across yards, through bushes, around tree trunks and even up the sides of some of the houses. They were not at all attractive. In fact, they looked totally out of place. What was hidden in the darkness was exposed in the light of day to be quite ugly.

And then I thought of sin. When it is kept in the darkness, it is not discernable to others to see. We can look pretty good on the outside, but when exposed to the light, we cannot hide the inappropriateness and ugliness of sin in our life. But this is just what Jesus wants us to do — to bring our brokenness and sinful nature into His light so it can be dealt with through the redemption that is available to us through our faith in Jesus' coming, His death to pay the penalty we owe, and His resurrection which is our promise of eternal life with Him.

Pastor Phil Brandt once explained the concept of an extension cord being the conduit through which the Holy Spirit brings life. The extension cord doesn't save us but it is the means through which the Holy Spirit works to bring us into God's Kingdom.

From Genesis through Revelation, the Bible contrasts light and darkness.

Genesis 1:3-4

And God said, "Let there be light," and there was light. And God saw that the light was good. And God separated the light from the darkness.

Job 30:26

*But when I hoped for good, evil came,
and when I waited for light, darkness came.*

Psalms 27:1

*The LORD is my light and my salvation;
Whom shall I fear?
The LORD is the stronghold of my life;
Of whom shall I be afraid?*

Isaiah 9:2

*The people who walked in darkness
have seen a great light;
Those who dwelt in a land of deep darkness,
on them has light shined.*

Isaiah 58:10

*if you pour yourself out for the hungry
and satisfy the desire of the afflicted,
then shall your light rise in darkness
and your gloom be as the noonday.*

However it is in the New Testament where Jesus identifies Himself as the Light of the World and we are encouraged to be His light in our lives. Check out the gospels of Matthew (especially chapter 5) and John (chapters 1,3 and 8).

2 Corinthians 4:6

For God, who said, "let light shine out of darkness," has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ.

In Ephesians 5 we are encouraged to *walk in love, as Christ loved us and gave himself up for us, a fragrant offering and sacrifice to God* (vs 2) and continues in verse 7, *for at one time you were darkness, but now you are light in the Lord. Walk as children of light (for the fruit of light is found in all that is good and right and true).*

Revelation 21:23-25

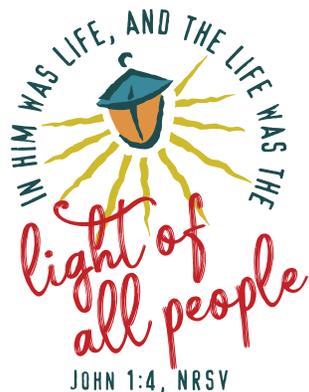

And the city has no need of sun or moon to shine on it, for the glory God gives it light, and its lamp is the Lamb. By its light will the nations walk, and the kings of the earth will bring their glory into it, and its gates will never be shut by day—and there will be no night there.

Revelation 22:5

And night will be no more. They will need no light of lamp or sun, for the Lord God will be their light, and they will reign forever and ever.

As we think about beginning a new year, let us be mindful of being ready to no longer walk in darkness, but to let the light of Christ shine in our hearts and our lives as we give glory to our Father.

It is always good to remember that God uses cracked pots. It is in the broken places in our life — those cracks where the light shines through. Our experiences of God's work in our lives is where our testimony of His goodness and His presence will touch others. Walk in His light.
