FROM: Joy Anderson, Chairman
LWML Nominating Committee

August 2017

TO: President/Chairman of the Congregation

The mission of the Lutheran Women's Missionary League is to spread the Good News of salvation throughout the world. It is an exciting and challenging mission!

This letter is to inform you that your pastor has been nominated by your LWML district president as a possible candidate for pastoral counselor of the LWML. We are pleased that he is willing to make the commitment for this important position. Being elected to this four-year term would necessitate time spent away from the parish of up to eight Sundays a year and other additional days each year for meetings and conventions. This time should not be counted toward the vacation time already provided him by the congregation. His responsibilities would consist of preparing devotions, authoring Bible studies, editing and critiquing materials, and advising various committees.

The time and effort given by our pastoral counselors, using their gifts and talents in support of our mission, are much appreciated. We are also grateful for the support of congregations who enable their pastor to serve in this way. Through the pastoral counselor position much is done to help others by sharing the love of Jesus and his Good News of salvation and helping those in need. Thank you for being a part of this effort by your prayerful support.

Please review the above information as you and your congregation prayerfully consider this important decision. If you have any questions, please contact your LWML district president. Should you consent to have your pastor nominated, please complete this approval form and mail it to the address provided below. Thank you!

On behalf of my congregation, I grant approval of the nomination of our pastor to serve as LWML pastoral counselor, if elected.
