Sharing Jesus with People with Disabilities

Bethesda Lutheran Communities

Bethesda Lutheran Communities desires to enhance the lives of people with intellectual and developmental disabilities with services that share the good news of Jesus Christ. Operating at program locations across the United States, they provide homes and support, promoting awareness and advocate services. Over 1,900 people at 300 program sites in 13 states are served. Travel is essential in achieving this mission. These costs are not subject to state reimbursement. Relying on the support of donors, Bethesda is able to nourish relationships and grow their network to support people of all abilities with their faith journey. Grant funds would be used to support ministry consultant travel.

We Pray Together...

Precious Heavenly Father, fountain and the origin of all goodness, we give you thanks for daily providing us with all that we need to support our body and soul. Help us to give generously to provide for the Bethesda Lutheran Communities project to fund the travel expenses for ministry consultants so that they may share the Gospel of our Lord Jesus Christ. May we always be content at the foot of the cross, trusting that you will always provide for our needs. In Jesus Name, we pray Amen.
