Nursing Students Serving with Mercy Medical Team

Ministry Focus

Seeking to expand their educational exposure, nursing students in the Concordia University System would be afforded the opportunity to participate in a short-term mission trip to Madagascar with a Mercy Medical Team. This service opportunity for students to work with medical professionals in providing medical and/or spiritual care to the under-served would be invaluable.

We Pray Together...

Precious Heavenly Father, fountain and the origin of all goodness, we give you thanks for daily providing us with all that we need to support our body and soul. Help us to give generously to provide for Ministry Focus to support nursing students in the Concordia University System to attend a short-term mission trip so that they can share the Gospel of our Lord Jesus Christ. May we always be content at the foot of the cross, trusting that you will always provide for our needs. In Jesus Name, we pray Amen.
