## Like A Good Neighbor

The scripture verse, *Bear one another's burdens, and so fulfill the law of Christ* (Galatians 6:2), made me think of a song by the Hollies, He Ain't Heavy, He's My Brother. I would like for you to go to [https://youtu.be/T\\_xzD8Pn4nM](https://youtu.be/T_xzD8Pn4nM) and listen to the song and video. The song says the road is long and winding that leads to who knows where and the load he's carrying is not heavy, he's my brother. We know that Christ carried the cross to Calvary for believers and unbelievers. We know that our road leads to eternal life. We will have bumps, curves, and hills in our walk. But it is nothing compared to what our Savior went through for us. Thanks be to God for sending His Son to us, to bear those burdens. He is an example we should follow with the people we meet who have burdens that are heavy. We are to help our sisters and brothers in Christ. Galatians 5:14 says, *For the whole law is fulfilled in one word: "You shall love your neighbor as yourself"*. We are Jesus' witnesses who care enough to share the burdens of others. Think of the difference we can make in the Savior's Name; think of the witness that we will make. You can reach out to your neighbor in your community. Check out local agencies for volunteer needs. Volunteer at a local food pantry, soup kitchens, children's hospitals, Braille centers. Do you have a place you reach out to others? Tell us about it.

**Lord God, You have called Your servants to ventures of which we cannot see the ending, by paths as yet untrodden, through perils unknown. Give us faith to go out with good courage, not knowing where we go, but only that Your hand is leading us and Your love supporting us; through Jesus Christ our Lord. Amen.**
