

Why are you involved in the Lutheran Women's Missionary League?

What is the most exciting part about Lutheran Women in Mission?

How did you become involved? Did someone introduce you to LWML?

Is there someone you could introduce to LWML?

Is there something specific, in which you can participate, that will make a difference in your district or zone? Can you encourage someone else to join you?

As Lutheran Women in Mission, we support each other. It is vitally important that we also **reach out!**

As the official auxiliary of the Lutheran Church Missouri Synod, each woman is a part of the LWML. Are we reaching out with this message in our districts and zones?

We pledge Him our willing service. In prayer, ask God to show YOU a path of awareness and a sense of urgency in reaching out to others.
