

## LWML MAILBOX MEMBER PROGRAM Coordinator Guide

Thank you for serving as the Mailbox Member Coordinator for your congregation. Please read the document titled *LWML Mailbox Member Program Guidelines*. Once you've sent out the invitations and received positive replies you will have a list of women to communicate with on a monthly basis. Each month you will connect with those in the program by providing them with information, resources, devotions, or activities they can do at home to keep in touch with the LWML mission.

Currently there are 24 monthly activities provided for you on the LWML website. You can use them for specific months or personalize the schedule to reflect the special interests of your members. All of the resources referenced have been through The Lutheran Church — Missouri Synod (LCMS) Doctrinal Review process.
