

YEAR 1: JANUARY

Leader Notes:

Winter months are a great time to offer indoor activities for inclement weather. Providing this free resource for an activity that a Mailbox Member can do by herself or with family and friends is sure to give her an opportunity to relax while expressing herself with color and a creative quiet time.

Hello from LWML!

Coloring is a hobby enjoyed by young and old alike. Here's a special coloring sheet from LWML. As you color it, please pray for one of the current mission grant recipients asking God's blessing on this ministry. You might want to share your coloring creation with a friend and help to brighten her day as well or post it on your refrigerator to remind all who see it of the wondrous love of our Savior. (Other coloring resources can be found at the LWML website.)

As always, contact me with any questions. You are in my daily prayers.

Your Sister in Christ,
