

YEAR 1: OCTOBER

Leader Notes:

Photographs. Photos. Photo albums. Digital frames. Pictures stored in the Cloud. Photos are everywhere today. Our access to them is almost limitless. But photos from times gone by are precious to many of us. They may be meticulously and artfully displayed in handmade photo albums or proudly framed and hung on the walls in our homes. Whether they are black and white dog-eared copies or glossy full-color prints each one lovingly reflects what is precious in our lives.

Distribute the resource to the Mailbox Member participants with the following Mailbox Member Message:

Hello from LWML!

This month we are reflecting on how our special milestones and memories are recorded for us in our photos. Whether your pictures are tucked away in a box, proudly framed and displayed in your home, or artfully crafted into heirloom photo albums they reflect what is important to you — family, friends, events, and vacations.

Enjoy this month's Mailbox Member devotion, *Photo Memories*, and reflect on how God cherishes you just as you cherish those people and memories you have captured throughout the years in pictures.

As always, contact me with any questions. You are in my daily prayers.

Your Sister in Christ,
