## WATER AND THE WORD FOR RURAL SCHOOLS IN KENYA

**Evangelical Lutheran Church, Kenya**

*I was thirsty and you gave me drink (Matthew 25:35).*

*And whoever gives one of these little ones even a cup of cold water because he is a disciple, truly, I say to you, he will by no means lose his reward (Matthew 10:42).*

The children in Kenya struggle to have water in their schools and often walk miles each day to gather water that is not necessarily clean water. Very often, the children must leave school and walk to the local water source. These water sources can be miles away from the school. Children are not only drinking dirty water and getting sick, but falling behind in school because they spend so much of their day hauling water.

This grant will help the Evangelical Lutheran Church in Kenya (ELCK) extend their ministry by expanding the clean water project to their schools and orphanages thereby building a relationship with ELCK as they provide sound biblical teachings in their sponsored schools. Every dollar goes to help bring clean water and the Word to the children in Kenya!

### ***WE PRAY TOGETHER ...***

Jesus proclaimed, “Everyone who drinks this water will be thirsty again, but whoever drinks the water I give them will never thirst. Indeed, the water I give them will become in them a spring of water welling up to eternal life.” We praise and thank You for the clean, healthy and earthly life sustaining water that the Water and the Word for Rural Schools in Kenya mission grant will provide. We pray that this water will strengthen the students so they may receive You and Your eternal water of life. We pray this in Jesus name. Amen.
