PRAYER GUIDE FOR LWML MISSION GRANTS
Prayers for Voice of Care Ministry to the Developmentally Challenged

PRAYER #1

To God be the Glory!! As we dictate our mites, reaching out to Your people, keep us mindful of the power of mites—Your power! This LWML Mission Grant for 2013-2015 helps provide the opportunity to share the love, promise, and hope to those with developmental disabilities. May the resources made available through this grant give volunteers that extra assistance as the Word of God is told in story and song. We give all thanks to You, our Heavenly Father. Amen.

PRAYER #2

Dear Jesus, over the 70-plus years the LWML has been blessed by You. With this Voice of Care grant, we pray for Your grace on those with developmental disabilities. May the volunteers' patience and love reach into their hearts with Your salvation. You alone know the hearts and minds of all Your children. In Jesus Name, Amen.

PRAYER #3

Our Father in heaven, Holy is Your name. *For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future* Jeremiah 29:11. (NIV). VOC has a vision for the future; a vision to reach more of those struggling with all types of disabilities. We ask for Your direction as VOC uses this grant to bring the love, comfort, and peace that comes from You alone. We praise and adore You, gracious Lord. Amen.

PRAYER #4

Dear Jesus, as children and adults, all receive encouragement from the simple song, "Jesus loves me this I know for the Bible tells me so." We ask Your blessing on those who struggle with the meaning of those words, due to their disabilities, reach into their hearts and minds and give them comfort. We remember in prayer the many volunteers who share the love of Christ with all they come in contact with. A smile, a hug, the little words, "I love you," can mean so much. The future and vision of VOC is in Your hands. Thy will be done. Amen.
