

JUNE 2014 DEVOTION

(You may begin or end with the hymn *Lift High the Cross*, LSB #837.)

Leader: Lord, we lift our voices up to You in song, thanking You for where our mites have been used to tell and show others of Your love. You are indeed our glorious King.

All: **Thank You for the help our LWML Mission Grants have given by way of modern media.**

Leader: We lift up those who have produced and made possible the TV and movie specials such as: *Easter Is*, *The Stable Boy's Christmas*, the Spanish version of *This Is the Life*, *Project Compassion*, and an episode of *This Is the Life* set in a nursing home. Our grants have helped to fund satellite and radio programming such as "Woman to Woman" with Phyllis Wallace and most recently KFUCO radio Internet streaming.

All: **Thank You, Lord, for this technology that enables Your name to be lifted up to others over the airwaves.**

Leader: Our mission grants have been used for the young and the young-at-heart throughout our country as well as overseas. We've granted money for daycares, preschools, for those needing help with school work, for youth, for the elderly in nursing homes, and those who are homebound.

All: *"And let us not grow weary of doing good, for in due season we will reap, if we do not give up. So then, as we have opportunity, let us do good to everyone, and especially to those who are of the household of faith"* (Galatians 6:9-10).

Leader: LWML Mission Grants have reached out to cross-cultural groups. LWML has reached out to Asians, Japanese, Chinese, African-Americans, and international students. We've reached out to those of the Muslim and Jewish faiths. We've worked with our Synod and many other Lutheran agencies all to advance Your kingdom with the Good News of Christ's death and resurrection.

All: **So shall our song of triumph ever be: "Praise to the Crucified for victory! Lift high the cross, the love of Christ proclaim till all the world adore His sacred name."**

(You may read this last verse and refrain of the hymn above or sing it.)
