

AUGUST 2013 BULLETIN BYTES

Thanks to each of you for your LWML mite contributions. Seventy-five percent of your contributions stays in your district; twenty-five percent supports national mission grants and administrative costs of the greater organization. Ask an LWML member about the mission goals set in your district. You can visit www.lwml.org to get the latest information on the mission goals set in Pittsburgh, Pennsylvania, at the LWML Convention this past June. Mission grant recipients can request their funding after November 1, 2013, so we need your continued support now to fulfill our commitment this biennium. Many blessings on your giving hearts!

Do you know that LWML grants have reached out to people in 42 countries since the first recipient was chosen in 1943? A summary of all grants can be found at www.lwml.org. Choose “Missions” at the top of the page, then “Mission Grant Resources” to access the historical documents along the right side of the page. It is heartwarming to see what has been accomplished by God’s grace and through your love and help these past 71 years. Our partnership with you in spreading the Gospel is deeply appreciated.
