

However, I consider my life worth nothing to me, my only aim is to finish the race and complete the task the Lord Jesus has given me ... (Acts 20:24 NIV).

Mission Grant #4

Rebuilding Nord Est Haiti Lutheran School

Be a Missionary and Share Jesus' Love!

Each of you, giving and praying for our 18 Mission Grants, brings the Mission Goal of \$1.83 million for the 2013-2015 biennium closer and brings the hope of Jesus to others.

Check for mission grant updates and more information on each grant at

On Valentine's Day.. share Jesus' love! Look at the photo above and choose one child. Jesus knows their name. Pray for them and put \$5 in your Mite Box to support our missions.

Earthquakes, floods, tsunamis – children are not immune to the disaster and grief in this world filled with sin. God's Word gives all who believe an unshakable foundation. Your mite giving and prayers can reach Haiti. Give twice today!

No Leap Day this year, but that won't stop you from a daily "leap of faith," trusting our Lord to hear our prayers and using our mites to reach the lost and hurting for Christ. Leap at this opportunity to give today!
