

This mite label is designed to fit around a 1.75 oz Pringles' chip can for use in the cup holder of your vehicle. Print on 8.5" x 11" sticky backed paper and cut exactly along the edges of the design. It also may be printed on regular paper and glued or taped to the can. Be sure your printer image is set for 100%. There will be a 1/8" overlap. Use them anywhere; be creative. You are sharing God's love, mercy and grace with the world. Praise God!
