

Joyful Response[®]

A free electronic mite giving opportunity for individuals and societies of Lutheran Women's Missionary League.

JOYFUL RESPONSE[®]

Joyful Response is the Lutheran Church Extension Fund (LCEF) service that provides the ability for LWML to offer their members and supporters an electronic, automated method to make their mite contributions.

Joyful Response benefits to the LWML member —

- Electronic mite offerings occur just like money or check contributions without the time and expense of writing and handling personal checks or money.
- The member specifies the frequency and the amount of the contribution.
- The contributed amount is still traced to the society, zone and district for recordkeeping purposes.
- Participation is open to everyone.
 1. Members do not need to have an LCEF investment.
 2. Participants do not need to be LWML members.

Joyful Response benefits the LWML —

- The organization continually receives mite offerings on a consistent basis—
 1. when monthly meetings are not held, i.e., summer months
 2. when members cannot attend a meeting.
- Record-keeping efficiency is increased.
- Discussion of stewardship and mission response is encouraged.

The Executive Committee has endorsed the LCEF *Joyful Response* Electronic Mite program for districts. Each District President has taken this information back to her district board for discussion and for possible implementation. You may view the enrollment form [here](#).
