LUTHERAN BRAILLE WORKERS — \$100,000

Truly, I say to you, whoever does not receive the kingdom of God like a child shall not enter it (Mark 10:14b-15).

Behold, children are a heritage from the Lord, the fruit of the womb a reward. Like arrows in the hand of a warrior are the children of one's youth (Psalm 127:3-4).

The mission of Lutheran Braille Workers (LBW) is to passionately reach out to people who are blind and visually impaired with the Good News of their Savior, Jesus Christ. There are over 36 million people in the world who are blind or visually impaired, with an estimate of over 94 percent of that population being unchurched. Many have not had access to reading the Word of God by themselves.

New technology now exists that makes the development of braille materials into additional languages, easier. Purchases of the new, Puma plate embossing device, is critical to meet the demand of producing the Bible and other materials.

The saving news of God's grace then can be spread to more people throughout the world. Funds from this mission grant will help LBW purchase the machine and pay for shipping, installation, and staff training.

WE PRAY TOGETHER ...

Dear heavenly Father, we thank You for blessing the work of Lutheran Braille Workers and the dedication of thousands of volunteers who have labored to print and assemble braille Bibles. We ask You to continue to bless their work so that the love of Christ can spread to people who are blind or visually impaired. In His name we pray. Amen.
