New *Faith Talk*® Materials Available Online

But in your hearts set apart Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. (1 Peter 3:15a) The Lutheran Women's Missionary League (LWML) has developed the *Faith Talk*® materials to better prepare women to witness about the hope they have in Jesus. This interactive workshop is in DVD format and utilizes an on-screen facilitator. The workshop includes heart stories, role-playing and discussion opportunities. It can be ordered from the LWML Store (order #14995).

A feature included in the kit is a newly designed, user-friendly Leader's Guide. A free, downloadable revised Leader's Guide is available in the "Sharing the Gospel" section of the LWML website at www.lwml.org for all who already own *Faith Talk*®.

Also available online are *Faith Talk*® Tips that have been compiled by the LWML Gospel Outreach Committee. As part of the committee's commitment to the women of the LWML and the church-at-large, these free, downloadable suggestions are provided to encourage faith-sharing in everyday life. An example of one such tip follows:

▲ Do you have a friend who is worried or anxious? Listen. Then reply, "When I start to worry about something, I remember that often worry is accepting responsibility God never intended me to have." Offer to pray with your friend and give the concern back to God! (Matthew 6:25-27, 33-34)

LWML Vice-President of Gospel Outreach Marilyn McClure shares: "The goal of *Faith Talk*® is that each woman will be compelled to share the Gospel, pray for and recognize opportunities to do so, and then confidently live and speak her faith. May that goal be realized as you use this new resource." Order your kit or download the free materials today!

**Please remember LWML in your estate plan.
