LWML President Visits Haskell LIGHT

While attending the Lutheran Women's Missionary League (LWML) Kansas District Convention in Lawrence, Kansas, LWML President Kay Kreklau had the opportunity to visit Haskell LIGHT (Lutheran Indians Gathering and Helping Together) House. Rev. Will and Patricia Main are co-directors of the Lutheran Student Ministry at Haskell Indian Nations University, where worship and Bible study, along with outreach activities and fellowship events provide a warm and welcoming environment for the students. Haskell Indian Nations University Lutheran Campus Ministry Expansion is one of the 2011-2013 LWML Mission Grants.

LWML shows God's love to Native American students at Haskell Indian Nations University through a \$100,000 grant that provides funding for the Lutheran Campus Ministry Expansion. This expansion will help to nurture students in their faith, and equip and empower them to share the Gospel in "Reach Back Teams," witnessing about their faith to the Native American communities.

With a portion of the funds received from this grant a passenger van has been purchased to provide transportation for Reach Back Teams at the university. Additional funds for this grant will purchase office equipment, as well as be used for leadership training, office administrative help, and supporting student outreach teams.

President Kay shared, "When I visited the Haskell LIGHT House I saw that the student center is truly a home – when I walked in I felt safe and loved. Weekly worship and Bible study are held at the LIGHT House. Pastor Will and Patricia are a blessing to the university and our church. As our Lord continues to bless this mission, they have plans to build a much needed student center. As you give your mite offerings, thank God for Pastor Will and Patricia and ask His continued blessings on this amazing ministry."
