

Proclaiming God's Presence and Power

Mission Goal:
\$2,100,000

Mission Grant:
\$30,000

For you formed my inward parts; you knitted me together in my mother's womb. I praise you, for I am fearfully and wonderfully made. Wonderful are your works; my soul knows it very well (Psalm 139:13-14).

"...Let the children come to me, and do not hinder them, for to such belongs the kingdom of God. Truly I say to you, whoever does not receive the kingdom of God like a child shall not enter it" (Luke 18:16-17).

DIGITAL MEDIA DEVELOPMENT Lutherans For Life — \$30,000

LFL believes our Savior is calling them to share the truth in love. Life issues, such as abortion, embryo experimentation, and physician-assisted suicide, are not political or personal choices but matters of the heart that affect people, neighbors, loved ones, and family.

Digital avenues like the internet, smartphones, and social media offer an open mission field to connect to people, particularly the younger generations before they face such life issues. Current online conversations surrounding life issues regularly become volatile, most of all for Christian advocates of life's sanctity since our values and perspectives run counter both to fallen human nature and prevailing public opinion.

The Digital Media Development grant funds will assist in creating a collection of infographics, memes, shareable video clips, webinars, and podcasts. These tools have the unique ability not only to proclaim how God's power and presence makes human lives worthy — especially to the least and the weakest among us.

WE PRAY TOGETHER...

Most Holy Lord,

You created us in Your image, but sin entered in and broke that relationship. We now face many life issues as a result of sin and our failure to appreciate the life with which we have been blessed. Forgive us, Lord. Give us hearts that care for and value the life we have been given by reaching out to those in need of Your love, grace, and mercy. In Jesus' name. Amen.
