Lutheran Women's Missionary League

October 20, 2014

News Release #45

LWML Inventory Reduction Means Savings

Many exciting improvements are taking place within the Lutheran Women's Missionary League (LWML) Store! The LWML has contracted with Concordia Publishing House (CPH) to handle all shipping, handling, and storage of our products and resources. This will allow the LWML Office and Store to run with a greater efficiency.

Many resources and products must be moved, and it is more efficient to sell them at 50% of their original prices than to pay for storage. Many items will also be discontinued. You can benefit from this sale!

50% Off Inventory Reduction Sale!

Includes many popular resources and products

50% Off Many Discontinued Items!

All items will be sold on a first come – first served basis, while supplies last. Normal postage rates will apply. All sale orders require a minimum order of \$25 before tax and shipping, and all sales are final.

Sale prices are good through February 1, 2015, or until inventory is depleted. Once the inventory is reduced, with the exception of all discontinued items, the remaining stock will once again sell at the original prices.

Is there a mission in your area that would benefit from these products? Consider the turbans for cancer patients or the convention bears for children's organizations. The Time is NOW to share the love of Christ! This is a mission opportunity!

Find all sale and discontinued items on the Shop LWML page of our website at www.lwml.org/store.

If you have any questions, contact the LWML Office at (800) 252-5965 or lwml@lwml.org.

Please remember LWML in your estate plan.

Our legal name is "Lutheran Women's Missionary League."

The Lutheran Women's Missionary League (LWML) is the official women's auxiliary of The Lutheran Church—Missouri Synod. Since 1942, the LWML has focused on affirming each woman's relationship with Christ, encouraging and equipping women to live out their Christian lives in active mission ministries, and to support global missions.

LWML news releases are archived at www.lwml.org under "News" link.
