In the last century, technology advanced at an unprecedented rate. In this century, it continues to develop each new year. By incorporating the newest communication methods into KFUE’s ministry, they can more effectively reach today’s younger generation, as well as the generations to come, with the Gospel of Jesus Christ. Throughout the world, our nation’s military can listen, no matter where they are stationed. This mission grant will assist KFUE in sharing the Gospel and staying current in the digital age.
