## **PRAYER GUIDE FOR LWML MISSION GRANTS**

### **Prayers for Support for Lutheran Public Radio**

#### **PRAYER #1**

Dear Lord God Heavenly Father, thank You for the blessing of Lutheran Public Radio and the ministry it provides for its listeners. For many years they have proclaimed the Word of salvation, provided a better understanding of contemporary social issues, served as a resource for pastors and other professional church workers, and been a source of catechesis for those listening on the radio and over the Internet. May the Holy Spirit continue to guide them and keep them firmly grounded in Scripture. In Jesus' name. Amen.

#### **PRAYER #2**

O most gracious God, we live in a world filled with many social issues that are challenging to the faithful Christian. We give You thanks and praise for the dedication of those working at Lutheran Public Radio who provide live, interactive, Christian talk radio programming which includes Bible study, hymn and liturgy study, discussion of theological topics, and discussion of timely social issues addressed in Scripture. We ask You to keep Your Spirit stirring in their hearts and in those who are listening. In Christ's name we pray. Amen.

#### **PRAYER #3**

We are thankful to You, O Lord, for the blessings of technology. Conventional media (print, radio, etc.) and the new media (Internet, live streaming, podcasting, social networks, etc.) have provided unprecedented opportunities for the Gospel of Jesus Christ to be broadcast to the world. Thank You for Issues, Etc. of Lutheran Public Radio for making the most of these opportunities. In the name of Jesus. Amen.

#### **PRAYER #4**

Triune God, the harvest is ripe and the workers are few. We give You thanks and praise for those workers in the fields at Lutheran Public Radio along with the guests who bring the very best talent, knowledge, and wisdom of the LCMS to its listeners. Bless their efforts as they continue with the priority of global mission and impacting the world for Christ. In Your holy name we pray. Amen.
