This biennium your LWML Christian Life Committee is dedicated to connecting with each of you.

The Primary Targets set for this biennium are:

- ⇒ **Nurturing Faith in Christ**
- ⇒ **Sharing Encouragement**
- ⇒ **Making our Mission Meaningful**

One way we can connect with you is through this monthly email. Each of the committee members has been assigned a list of

districts so you can establish a personal connection with us.

What can you expect from these emails? Encouragement and ideas.

It is also our hope that you will connect with us with **your** thoughts, ideas and encouragement.

Together, we can make that CALL (Connecting All LWML Leaders) to join together in support to complete the task of the LWML, while building each other up.

As you begin your district conventions in 2014, we will keep you all in our prayers and look forward to hearing how the Lord blessed each convention. There will be special discounts and promotions available at Board of Directors and to order for your LWML stores at convention.

## 2014 Prayer Service

Have you seen the LWML Prayer Service?

**“This Is What We Are Baptized For— ”**

Designed to help us find out what we are baptized for and to ask for the strength and grace to do it, the service includes an original hymn by the author, Rev. Bernhard Seter, based on the words of the LWML Pledge.

The original hymn accompaniment is available as a download from the LWML website.

### Every Picture Can Tell God's Story

Winsome witnessing of Jesus using photographs.

Written by Diane Grebing

Photographs ... those printed images we paste in albums, display in frames, send as Christmas cards, and often stuff in drawers, boxes, and trunks.

What use do you make of the photographs you've taken or received? Have you used

them as a way to witness Jesus' saving love and God's power and provision in our lives? The images you've captured through the lens of your camera can tell God's story in a unique, creative, and compelling way.

The six sessions of this study are designed to open your eyes to new ways in which you can be a winsome witness of Jesus using your own personal photographs and experiences.
