What a great response to the first edition of our newsletter! The committee is excited to get to know you better, so continue sending your emails and feel free to call us.

As was mentioned in the first newsletter, we look forward to your feedback, questions and comments.

You Asked ... We Answered ...

Can districts provide program helps free of charge to our members?

Within your district you can utilize the program helps on the CD you purchased as you desire.

However, please leave the resources as pdf documents when you post them for downloads. There are two reasons for this: one is to keep the integrity of the format consistent no matter what computer program or model downloads them, and the other is to keep the integrity of the content as it has been through doctrinal review and cannot be changed.

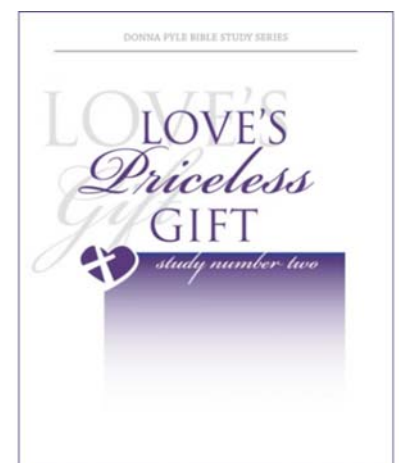

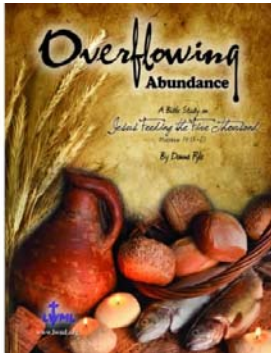

Possible Retreat / Resource for Lent

Love's Priceless Gift, a new four-part Bible study based on John 3:16, recounts God's pursuit of us in love. This resource, written by Donna Pyle, offers incredible insight and fresh clarity into one of the most well-loved passages in all of Scripture. Fall in love all over again through the One who first loved us.

This resource could be used as a retreat by possibly using two or three parts of the Bible study during the retreat and sending the other session(s) home with the participants.

Available as a download, or order a printed copy. The cost is \$5. (When you purchase a downloadable version, you can print as many copies as you want.)

Overflowing Abundance

Aside from the resurrection, Jesus' feeding of the five thousand is the only miracle recorded in all four Gospels. Even though Jesus dealt with doubting disciples, fatigue, personal grief, and limited resources, God desired to use that spring day to feed the masses with the Bread of Life.

Through this six-lesson DVD Bible study and workbook, you are invited to dig deep into Scripture to see a compelling picture of the compassionate Savior. Sometimes, in seasons of stress and brokenness, we keep our eyes down, trudging forward, and never looking up to see our Provider. Yet when Christ is present, the weary find rest and the hungry soul is satisfied. Come and be fed by the only One who provides for your every need and fills you ... body and soul ... with *Overflowing Abundance*.

The committee is working on some new resources for you to use in the next biennium. Very soon we will be announcing what those are. In the meantime, please use the resources that are already available to you.
