### **Building Hope & Strengthening Faith in Kenya — Project 24 and Christ's Care for Children: Kenya \$120,000**

“Project 24 and Christ’s Care for Children: Kenya” provides an opportunity for vulnerable children to thrive in all aspects of life, particularly to grow in faith. Project 24 is a church-operated, school-based boarding facility program in Kenya that offers a safe environment to grow in the Gospel, access education, and receive other basic needs. The LCMS, in partnership with the Evangelical Lutheran Church of Kenya (ELCK), provides a Christ-centered, loving, caring, and safe environment as well as food, clothing, healthcare, and access to primary school education that otherwise would be out of reach for vulnerable children throughout Kenya. The mission grant funds would cover construction cost to complete another boarding facility for 80 children near Wamba Town. Once the facility is in full operation, children will be matched with sponsors in the United States through Christ’s Care for Children: Kenya.

Concordia Theological Seminary, Fort Wayne, Indiana (CTTSFW), brings the saving Gospel into all the world by forming servants in Jesus Christ who will teach the faithful, reach the lost, and care for all. During mission trips to Kenya, students participate in theological seminars alongside African students from Matongo Lutheran Seminary in Kenya.
