

# MAILBOX MEMBER CRAFT — MINI COLOR BACKGROUND

## DIRECTIONS:

1. This craft is designed to hold three miniature candy bars.
2. Assembling the craft is easiest using double-sided tape.
3. Print on cardstock (narrow margins).
4. Cut out pieces along solid lines, and fold on dotted lines. The logos will be on the outside of the mailbox.
5. Stack three miniature candy bars, putting a piece of tape between them.
6. Run a piece of double-sided tape from end to end on the inside of the mailbox.
7. Center the stack of candy bars on the inside bottom of the mailbox.
8. Wrap the mailbox body around the candy bars and secure the TAB with tape on the outside bottom of the mailbox.
9. Add the flag to the mailbox by aligning the two dots and attaching with tape or a dot of glue. To make the flag movable, use a mini brad. NOTE: if using a mini brad, attach the flag BEFORE rolling the mailbox body around the candy bars.
10. Fold up the ends of the mailbox, and you are finished!
11. Share with a friend!

SERVICE PROJECT IDEA: If you wish to make this an intergenerational or seasonal activity, one group can stack candy bars, one can color and/or decorate the mailboxes, one can assemble the flags, etc. Use "seasonal" candy bars as appropriate and available.
