VIRTUAL MISSION TRIP BACKGROUND AND INVITATION DETAILS

By God's love, power and provision, Rev. Jeff Mueller and his congregation, Immanuel – Hood River, launched Child Beyond International (CBI) five years ago to Rescue, Restore, Release and Reinforce abused, abandoned and neglected children in the poverty-stricken country of Guatemala. To support their thriving children's home, CBI started a short-term mission team ministry in 2018 with dozens of LCMS congregations and hundreds of Lutherans coming down to Guatemala to build homes and cook stoves, provide water filters and host VBS and sports camps, in partnership with local pastors of the Lutheran Church of Guatemala.

At the last National Convention, the LWML became an official mission partner with CBI and the Lutheran Church of Guatemala by funding a Mobile Medical Mercy Mission Bus to be used by medical mission teams for decades to come – all to bring the healing love of Jesus to Guatemala. Unfortunately, due to the world-wide pandemic, all short-term mission trips were cancelled in 2020 and now into 2021. But when a door is closed to the Gospel, God always opens a window, and so CBI was inspired to create an exciting and impacting alternative Virtual Mission Trip opportunity that anyone with a mission-heart and access to the internet can experience from the safety and comfort of their own homes.

Rev. Jeff Mueller and Immanuel-Hood River invite you and your congregation, family and friends to come down to Guatemala virtually for a week-long amazing, inspiring and faith-building mission adventure that is provided completely free of charge to all our LCMS congregations and LWML members.
