CHRIST-CENTERED TUTORING THROUGH REBECCA'S GARDEN OF HOPE

\$70,000

This month we focus on Mission Grant **Christ-Centered Tutoring Through Rebecca's Garden of Hope**. RGOH is an after-school tutoring and mentoring program, and the training of congregations throughout the nation to implement similar programs, aimed at connecting at-risk children in urban communities with the love of Christ. They are based in Orlando, Florida. They equip congregations free of charge to help move these youth beyond their circumstances so they can begin to set positive, achievable goals that will reshape their lives and break the vicious cycle of poverty that has become their reality. Christ-Centered Tutoring Through Rebecca's Garden of Hope, the mission grant for this month, has set a goal to reach thousands of children each year for Jesus, developing safe relationships with them, and providing monetary supplemental support to improve the whole person and empower these youth to succeed. Many urban communities are seeking an outreach model that can successfully be used to bring families to Christ. Ninety LCMS congregations are networking with RGOH. Fifty of these congregations have come on board during the summer of 2014. For more information on this and other 2013-2014 Mission Grants go to www.lwml.org and scroll down to "Mission Grants."
