

Taking Care of the Body and Soul of Cancer Patients

Hope of Christ for Cancer Patients • Phil's Friends — \$70,000

2021–2023 Biennium
Mission Goal:

\$2,150,000

Mission Grant #6

\$70,000

And when did we see

you sick or in prison

and visit you?

And the King

will answer them,

'Truly, I say to you,

as you did it

to one of the least

of these my brothers,

you did it to me'

(Matthew 25: 39-40).

Prayer #1

Dear Father in heaven, when we hear the word cancer, we are frightened. We know how ravaging it can be for our bodies. The treatment can be long and painful. Help us to remember to put our trust in You as the Great Healer. Help us to place our hope in You and know that you are in charge. In Jesus' name. Amen.

Prayer #2

Jesus, we turn our hearts to You as the source of hope in all circumstances. We may not understand why cancer is part of our lives, but we ask You to give us hope as we deal with the ramifications of a cancer diagnosis. Also, help us to reach out to friends and family who need our encouragement during this time. In Jesus' name. Amen.

Taking Care of the Body and Soul of Cancer Patients

Hope of Christ for Cancer Patients • Phil's Friends — \$70,000

Prayer #3

Lord, we give thanks for Phil's Friends and its many volunteers. We thank You for the donations and mite offerings that make this mission possible. Through the efforts of Phil's Friends people are given hope and encouragement as they battle cancer. We also ask Your blessing on the message of salvation that is shared. May people's lives be touched and may they come to know the love of Jesus and the salvation He offers through the ministry of Phil's Friends. In Jesus' name. Amen.

Prayer #4

Dear Lord, help us as we support Phil's Friends and continue to reach out with the love of Christ and give hope. Help us to be Your instruments as we interact with family and friends battling cancer. Give us guidance in what we say and do. You are the Great Healer of our bodies and most importantly of our souls. The greatest medicine we can give a cancer patient is sharing the gift of salvation and hope of eternal life. In Jesus' name. Amen.
