

Spreading the Word of God to Russian People

2021–2023 Biennium
Mission Goal:
\$2,150,000
Mission Grant #7
\$100,000

Training Pastors to Serve the Church in Russia Lutheran Theological Seminary, Novosibirsk, Siberia — \$100,000

“and what you have heard from me in the presence of many witnesses entrust to faithful men, who will be able to teach others also”
(Timothy 2:2).

Through the efforts of the Siberian Evangelical Lutheran Church, which is in full altar and pulpit fellowship with the LCMS, and through the pastoral training provided by the Lutheran Theological Seminary in Novosibirsk, Siberia, the Word and Sacraments are again making their way to the long-repressed Russian people.

The Novosibirsk seminary’s goal is to prepare workers to spread the true Word of God to the Russian people. To do so, pastors must be well educated and prepared to provide intelligent, compassionate pastoral care to everyone. Because of changing financial circumstances within the seminary’s largest supporting organization, the U.S. foundation has reduced its contribution to

the seminary’s operations.

This grant will help keep the seminary in operation for the next two years, as the Siberian Lutheran Mission, an LCMS Recognized Service Organization (RSO), continues its “Save the Seminary Campaign” to raise funds to endow the seminary’s operations long-term.

We Pray Together:

Heavenly Father, You are our hope and salvation. You have called workers to serve in Your harvest fields. The seminary in Novosibirsk is preparing these workers to take the true Word to the people of Russia. Grant that these mite offerings may enable the seminary to continue its operations as additional long-term funding is sought. In Jesus’ precious name, Amen.
