Light of Christ in Eastern Europe Mission Central — \$56,000

*And he said to them,
“The harvest is plentiful,
but the laborers are few.
Therefore pray earnestly
to the Lord of the harvest
to send out laborers into
his harvest. Go your way;
behold, I am sending you
out as lambs in the midst
of wolves” (Luke 10:2-3).*

In Martin Luther’s homeland and the nearby Czech Republic, most German and Czech people do not know Christ as their Savior. The Czech Republic is considered one of the most atheistic countries in the world. The Lutheran Church is striving to meet the urgent need to bring the love and light of Christ to people who have been living in spiritual darkness.

God, in His perfect timing, has allowed many of the repressive governments of Eastern Europe to crumble. Now the people of the Czech Republic and Germany are able to worship freely in the Christian faith. Several generations were deprived of the knowledge of our Savior. This is the time to support the returning of the light of Christ

to Eastern Europe. This grant will assist in the support of eight missionaries in Germany and the Czech Republic.

We Pray Together:

Heavenly Father, we thank You for providing workers for the Church according to Your wisdom. You know the gifts You have given them to seek and teach the light of Christ in Eastern Europe. Bless these workers — now and in the future. Provide them with faithfulness to perform their tasks. Allow for adequate times of rest and renewal. O Lord, give them zeal to share the Good News of Christ Jesus. Amen.
