LWML Ethnic Ministries Report

The Heart to Heart — Sisters of All Nations Committee (H2H) of the Lutheran Women’s Missionary League (LWML) has compiled information utilizing The Lutheran Church—Missouri Synod (LCMS) Locator, a web-based service, to develop this report. The H2H Committee gathered the information for the use of LWML district leaders who work with the Heart to Heart — Sisters of All Nations program in their district. The data has been compiled to provide them with background information regarding the churches in their district who are involved in ministry to various ethnic groups, provide an English as a Second Language course through their congregation, and/or host worship services in various languages.

The information in this report was gathered from March – August 2020 and was accurate at that time. As with any published information, changes occur which may affect the accuracy of the printed data. Those using the information in this report are encouraged to do their own research on the LCMS Locator to verify what is recorded here and update it as necessary.

Ten items were researched under the “Ministry Type” menu. They were:

- African Immigrant
- Central American Immigrant
- Eastern European Immigrant
- English as a Second Language
- Eurasian Immigrant
- Middle Eastern Immigrant
- Native American Indian
- South American Immigrant
- South East Asian Immigrant
- Western European Immigrant

Congregations that host worship services in various languages were researched under the “Service Sub Type” menu. Those are listed under the category of “Special Language Services.” These service types included:

- Asian Indian Language Service
- Chinese Language Service
- Eritrean Language Service
- Ethiopian Language Service
- Filipino Language Service
- French Language Service
- German Language Service
- Hispanic Language Service
- Hmong Language Service
- Japanese Language Service

• Native American Language Service
• Other African Language Service
• Other Asian Language Service
• Other Caribbean Language Service
• Other Eurasian Language Service

This directory has been developed to educate us regarding the many and various ethnic groups that our Church serves. It will provide district leaders with background information that can be used as they build their Heart to Heart outreach to multicultural sisters in Christ.

LWML District Heart to Heart — Sisters of All Nations committees and/or Special Focus Ministries department leaders are encouraged to personally research their district and update the information periodically.

LWML leaders are encouraged to contact congregations that minister to and involve women of diverse ethnic backgrounds, and invite them to participate in the LWML. Together, as Lutheran Women in Mission, we can grow in our faith, expand our experiences with women of various backgrounds, and support the spreading of the Gospel around the world through our Mite Box offerings.

Part A: Ethnic Ministry Count ................................................................. pages 4-16
This section gives an overview of the ethnic ministries in each LWML district.

Part B: Ethnic Ministries Directory .................................................... pages 17-134
This section lists specific congregations from each LWML district and the various Ethnic Ministries, English as a Second Language courses, and/or Special Language Services offered by those congregations. Contact information listed in this directory, accurate as of August 2020, may need to be verified using the LCMS Locator on the LCMS webpage.

Please note: the LCMS Locator is also a good source of information about Deaf ministry and churches that provide assistive equipment for those who are hard of hearing. A “Listing of Churches with Deaf Services” can be found at lwml.org on the Special Ministries page under the “Fellowship” tab.
