Requirements for Exhibiting at LWML Conventions

All exhibitors at LWML conventions shall have a connection with The Lutheran Church—Missouri Synod and a focus on missions, mission opportunities, and resources to help women *joyfully proclaim Christ, support missions, and equip women to honor God by serving others.*

The purpose of the exhibit area at the LWML convention is to:

- Give convention delegates and guests an opportunity to see and personally connect to the wide range of mission, education, and support opportunities available to them individually and to their groups and districts.
- Allow the exhibitors to present and promote their mission or program to the participants, but not to sell items or to collect contributions or donations on site.

For more information to exhibit at the LWML Convention contact us at lwmlehibitors@lwml.org.
